# LAWS AND REGULATIONS

OF THE

## UPPER CANADA BIBLE SOCIETY,

*As adopted at a General Meeting of the Society, held in the City of Toronto, on the 3rd day of August, 1855, and amended at General Meetings held on the 13th day of April, 1880, 18th day of November, 1887, and 30th day of May, 1895.*

[UNDER THE ACT OF INCORPORATION ]

ARTICLE I. This Society shall be denominated the "UPPER CANADA BIBLE SOCIETY," having the same object in view as the British and Foreign Bible Society—that is, the circulation of the Bible without note or comment.

II. This Society shall endeavour to unite all Bible Societies in the Province, and to concentrate their operation, in order to give more efficiency to the whole.

III. This Society shall maintain, in the City of Toronto, a general depot of Bibles and Testaments, from which all Societies in connection with it shall be supplied with the Scriptures at the lowest price at which they can be afforded.

IV. The business of the Society shall be carried on by a Board of Directors, to consist of a President, Vice-Presidents, Treasurer and Secretaries, and a representative from each Branch, as provided in Article V., together with twenty clerical and twenty lay members, so selected as to give the Board always, as before, a representative character as regards the principal religious bodies interested in the work of the Society, five of whom shall form a quorum. The three clerical and three lay members who shall have attended the least number of meetings of the Board shall not be eligible for re election, except in cases where the non-attendance has arisen from illness or absence from the city, in which cases the Board may nominate such member or members for re-election.

V. Each Branch Society shall be entitled to a representative on the General Board. The President of the Branch shall be *ex officio* such representative, or any other resident member whom the Committee may appoint as a substitute, who shall be a member of such branch.

VI. At any meeting of the Directors the President, or in his absence the Vice-President first upon the list then present, and in absence of such Vice-President, the Treasurer, and in his absence such member as shall be chosen for that purpose, shall preside.

VII. Each person paying annually one dollar shall be a member of this Society; and persons paying fifty dollars at any one time, either to this Society or to any of the Societies in connection therewith, or through them to the British and Foreign Bible Society, or who may have rendered important services, shall, at the discretion of the Directors, be declared Life Members.

VIII. Each Life Member of this Society shall be furnished with a certificate of membership, under the corporate seal of the Society, duly signed by the President and Secretaries.

IX. The Board of Directors for the time being shall have the appointment of the Permanent Secretary, Agents, Depositary, Colporteurs, Book-keeper and

Assistants of the Society, and the fixing of all salaries and allowances; and shall have the superintendence and management of all the property, real and personal, of the corporation, as well as the management and control of its general affairs and the appropriation of its funds, with full power to enact such rules as may be requisite to effect the objects contemplated by the Act of Incorporation.

X. The Board of Directors shall meet for the transaction of business on the third Tuesday of each month, at the hour of 7.30 p.m. Special meetings may be called by the Secretaries at any time, at the request of the President or of any three Directors.

XI. The Annual General Meeting of the Society shall be held on the second Wednesday in the month of May in each and every year, or at such other time as the Directors, for the time being, may deem best for the interests of the Society, when the Officers and Directors for the ensuing year shall be chosen; a report of the operations of the Society during the foregoing year shall be presented, together with the Treasurer's and Depositary's accounts duly audited. Special general meetings may be called at any time by the Board.

XII. In case of the death or removal of any Director or Officer during the year, the Board shall at the next ensuing meeting thereof fill such vacancy.

XIII. No alteration of these By-laws shall be made except at a General Meeting of the Society, and after one month's notice of the proposed alterations has been given to the Board.

## RESOLUTION PASSED BY THE BOARD OF DIRECTORS RELATIVE TO GRANTS TO SUNDAY-SCHOOLS, SEPTEMBER, 1878.

That in all applications for grants of Bibles to Sunday Schools the applicant be requested to furnish the Secretaries with an account of the state of the school; the number of scholars and teachers; the amount of funds at the disposal of the managers; who are its officers; and why it is necessary to make such application; all of which should in every case be certified by a minister of the Gospel, or some person of known respectability. And further, this Board recommends that the Secretaries make grants in future only to destitute settlements, reporting the same to the next General Meeting of the Board of Directors.

---

## REPORT OF SPECIAL COMMITTEE RELATIVE TO "GRANTS TO SUNDAY-SCHOOLS," ADOPTED BY THE BOARD OF DIRECTORS 18TH JUNE, 1888.

That the forms of application for grants, already in use, as authorized by the Board in October, 1867, and September, 1878, regarding Sunday Schools, be continued, although it is right to state that the superintendents of schools have not availed themselves of the privileges offered in the form of September, 1878, to any extent.

In the opinion of your Committee, mission churches and schools under denominational auspices are not in general to be considered fit objects for the gratuities of this Society; but missions among Indians, Jews, French Canadians, Chinese, Italians, etc., though under denominational auspices, are not to be taken as coming under this general rule.

# FIFTY-SIXTH ANNUAL REPORT

OF THE

# UPPER CANADA BIBLE SOCIETY, 1895-96.

---

The frequent bold criticisms and ingenious doubts, suggested by some distinguished scholars, regarding the genuineness, authenticity and inspiration of the Bible, are but evidences of the statement that history is forever repeating itself.

Little more than a century ago, the French philosopher Voltaire presumed to say that he and his cotemporaries were living in the waning light of Christianity; that it required twelve men to found the religion of Jesus Christ, but that one (alluding to himself) would be able to destroy it; and further, Voltaire predicted that within a century the Bib'e would be utterly forgotten. The decades allowed by Voltaire for the extinction of Christianity, and the relegation of the Bible to the darkness of oblivion have fully expired, and in the interval science and learning have advanced with rapid strides, and from all this added store of intellectual culture, and with all the ingenuity of scholarship, the strongest light of criticism has been concentrated upon the sacred page, with the result that never before was the Bible so potent a force in the world as it is to-day, and never had it such a hold on the mind and heart of mankind as at present.

The wonderful preservation of the Bible, and its distribution by hundreds of millions of copies, declare it to be, not merely a man-made book, and not mythical, but very real and practical are its utterances when we remember that in such a large number of instances its predictions and prophecies, such as those relating to the Jews, to Jerusalem, to Babylon, to Nineveh, to Egypt, to the Christ, and many other events, have already been literally fulfilled.

During His public ministry our blessed Lord gave clear and ample testimony to the inspiration of the Old Testament Scriptures, including the Pentateuch, to their indestructibility, their perfect fulfilment, their perpetual continuance, and to the fact that the Gospel of the New Testament, of which He was the central figure, was inseparably linked with, and based upon, the teaching of the Old Testament.

In His remarkable Sermon on the Mount, when pressing home to the consciences of his hearers the solemn truth that the law was binding, not only on the *outward* but on the *inner life*, He says: "Think not that I am come to destroy the law and the prophets; I am not come to destroy but to fulfil; for verily I say unto you, till heaven and earth pass one jot or one tittle shall in no wise pass from the law until all be fulfilled." On the resurection day, in communing with the two disciples as they journeyed to Emmaus, and explaining its events, we are told that "beginning with Moses and all the prophets, He expounded unto them in all the Scriptures the things concerning Himself."

Bible religion has made more progress in the last century than in the previous ten centuries, and the systematic study of the Bible is increasing day by day. This is no doubt due in large measure to the work of the British and Foreign Bible Society with its Auxiliaries and Branches, and this in itself proves that the Bible is not a myth, but *a living power*.

One hundred years ago, the Bible in foreign or heathen tongues was almost unknown. Before the great work of the British and Foreign Bible Society began, the unnumbered millions of China never had the Word of God in a language they could read or understand. No portion of the Scriptures had been given to the dwellers on the distant Islands of the Sea, nor the countless hosts who inhabited the Dark Continent of Africa. Previous to the Reformation, in the whole of *Asia* there were few versions known—one in *Arabic*, one in *Persian*, and one in *Syric*—and these were for the most part in almost inaccessible manuscripts. The Bible Society, however, ushered in a new order of things. In the first eighteen centuries after Christ, forty versions of the Scriptures, in whole or in part, were produced and issued, while now the British and Foreign Bible Society's versions number 326; thus giving the Word of God in almost every tongue spoken by any considerable number of the human race. Over 143,000,000 copies of the Word of God have been put in circulation by the British and Foreign Bible Society, at a cost of about £12,000,000 sterling. The issues of that Society for the past year (1895-6), including Bibles, Testaments and portions, were 3,970,439 copies, and the total issues from its commencement in 1804 now amount to 147,366,669 copies. It is estimated that there have been over 250,000,000 of Bibles issued by all the Bible Societies in the world. But when it is remembered that probably one half of these have been distributed in Protestant countries, and that the world's population is six times 250,000,000, it will be apparent that the work of the Bible Society has only fairly begun; and that instead of slackening our interest or reducing our *givings*, both should be greatly increased.

The history of Bible translation and revision is one of the most wonderful things in the chronicles of literature. Nothing in this realm can be compared to it, and it steadily advances from year to year.

In 1895-6, the Committee on Translation and Revision for the Parent Society has added six new versions to the Society's list, but the great work of the year has been the continuation of versions already begun and the revision of translations which have been long in use. Some may think that with such a large number of

translations, the work has been accomplished, and that efforts for and contributions to the Bible Society may now cease; but it will be a sufficient answer to say to such, that in *China alone* there are about 400 dialects into which the Bible has not yet been translated, and in Africa there are said to be about 600 such dialects.

### OUR WORK.

In reviewing the work of the Upper Canada Bible Society, your Directors feel that they have abundant cause for gratitude to God for His continued guidance and blessing.

While death has removed from the list of Vice-Presidents three venerated names, viz., Rev. Wm. Reid, D.D., Rev. Wellington Jeffers, D.D., and the Rev. J. H. Robinson, who, through the infirmities of age, had been unable to take part in the meetings for some time past, no breach has been made in the active Directorate during the past year. Eleven meetings of the Board have been held, with an average attendance of seven Clergymen and eleven Laymen, indicating a continued and earnest interest in the work of the Society.

The different departments of the work have been prosecuted with fidelity, and with no uncertain measure of success. Our sphere of usefulness has been largely extended, not only in Ontario but more particularly in Manitoba, the North-West Territories and British Columbia. Our financial assistance to the Parent Society in its world-wide work is well sustained, while that to the Quebec Bible Society in aid of its colportage work among the French Canadians has been increased.

The continued depression in trade and consequent stringency in the money market, is felt in many portions of our extensive field, yet the interest in the work is maintained, and although the total revenue of the Society for the year is somewhat less than the previous year, this is in consequence of a smaller amount in bequests, while the ordinary revenue is well supported. And it is specially worthy of note that several Branches in Manitoba and the North West have largely increased their contributions during the past year. This is very encouraging, and augurs well for the future prospects of this Society in that great new country.

### BRANCH SOCIETIES.

A goodly number of the more active Branch Societies conducted their annual meetings with the co-operation and kindly service of the local clergymen, thus saving the expense of a visit by one of the Society's Agents; and the Directors have been enabled to effect a further reduction in the visitation of the Branches requiring assistance.

Sincere thanks are due and are hereby tendered to the Officers of Branch Societies, Collectors and friends for their valuable services in connection with this work.

Some of the non-supporting Branches have been reduced to the status of Depositories, care being taken, as far as possible, to attach those sections to the adjoining active Branches, so as to retain the interest and sympathy of the friends of the Society residing in those localities.

Aggressive work has been done in Manitoba and the North-West Territories Seven new Branches and Depositories have been established, and preliminary measures have been taken with a view to further extension.

The new Branches and Depositories organized during the past year are, viz., In Ontario: West Huntingdon, Bancroft, Lonsdale, Crawford, Marsville, Marshville, Perry Station and Waubaushene.

In Manitoba: St. Davids.

In Alberta, N.W.T.: Innisfail, Lacombe, Wetaskiwin, Gleichen, Edmonton, South Edmonton and Olds.

COLPORTAGE.

During the past year Bible colportage has been extended. Thirteen men have been employed. Some of them canvassed their districts for short periods only, while others persevered in the work and did heroic service in this department of our work. Six of those colporteurs were engaged in Ontario, six in Manitoba and the North-West Territories, and one in British Columbia.

Although the general depression has been felt all over our field, and has caused a reduction in the issue of copies of the Scriptures by the Toronto and Branch Depositories, the circulation by our colportenrs was greater than the previous year.

Praying that the Holy Spirit may enlighten the hearts of those who read the Scriptures thus circulated; that the seed may fall on good ground; that doors which are now closed may be opened; and that the Kingdom of our Lord and Saviour Jesus Christ may be advanced, we leave the results to Him who has said, My Word "shall not return unto Me void."

## QUEBEC AUXILIARY BIBLE SOCIETY.

The Quebec Bible Society continues its colportage work with much earnestness and efficiency, and the Directors of the Upper Canada Bible Society are pleased to be the medium of encouragement and financial assistance by the continued liberal contributions of the Branch Societies.

We make the following abstract from the letter dated 28th April, 1896, of the Rev. Edward J. Stobo, Secretary and General Agent of the Society:

QUEBEC, APRIL 28TH, 1896.

*John Harvie, Esq., Sec. Upper Canada Bible Society, Toronto, Ont.*

MY DEAR MR. HARVIE,—The Committee appreciate your sympathy and feel not only grateful but deeply humbled by the generous action of the Directorate, as will appear from the appended resolution, passed last evening: Moved by Mr. W. C. Gibson, Advocate and by Rev. I. P. Bruneau, French Presbyterian Minister, and carried unanimously:

"We, as a Committee, would place on record that we feel greatly encouraged and strengthened in our difficult and trying work of Bible reading and Bible circulation in our Province, by the sympathetic and generous action of the Directors of the Upper Canada Bible Society.

"And we would more than ever voice our gratitude to God that our efforts to enlighten our dear fellow countrymen, and so to unify the races, find so great favour with our Ontario friends.

"And we would take this, the first opportunity since receipt of letter and enclosed draft, to tender to the Directors of the Upper Canada Bible Society, and the Officers of its several Branch Societies, our heartfelt thanks for the financial assistance rendered for so many years, and with ever increasing liberality—the amount this year being larger than that of any preceding year and which comes to us at a most opportune time to cheer us and to give the assurance that Quebec has a large place in the hearts of God's children of all denominations throughout Western Canada. And we would pray and have prayer offered in our behalf, that we may be forward to do the work so much needed all around us, and to be faithful to the solemn trust committed to us by the Upper Canada Bible Society."

## OUR PARENT SOCIETY.

The ninety-second annual meeting of the British and Foreign Bible Society was held in Exeter Hall, London, England, on Wednesday, 6th May, 1896.

In the absence of the Earl of Harrowby, President, the Earl of Winchilsea occupied the chair, and made an excellent address, in full sympathy with the aims and work of the Society. An abstract of the report, as distributed at that meeting, is attached to this issue.

From letters dated 11th January and 1st April, 1896, from one of the secretaries of the British and Foreign Bible Society, we make the following extracts;

"Kindly convey to the branches of the Upper Canada Bible Society, whose remittances were forwarded in your letter, our grateful thanks for the help given towards the carrying on of our extensive work."

"Pray accept our very grateful thanks for the additional free contributions covered by your letter of 19th March, together with a further payment on purchase account. While we are sorry to hear that your society is suffering from the con-

tinued depression in the Dominion, we are grateful for all that you have done to send the Society so substantial a contribution as that you have forwarded during the past year."

# BRITISH AND FOREIGN BIBLE SOCIETY.

## ABSTRACT OF THE REPORT FOR THE YEAR 1895-6.

The paragraphs which immediately follow summarise the principal facts as regards—I. The General Outlook; II. Finance; III. Issues; IV. Translations; V. Obituary and new Honorary Appointments; VI. Home Organization. These are introductory to—VII.—The Survey of the Foreign Field and Review of the Work of the Year.

### I.—General Outlook.

"O taste and see that the Lord is good! Let us exalt His Name together." The invitation is old, but occasions for its use often recur. Words of thanksgiving and praise may well head the story of the Bible Society's ninety-second year. Has not the goodness of the Lord been experienced in needful funds fully provided, in more Scripture sent forth, in fresh translations begun and revisions advanced, in agents raised up, and in souls led by the Bible to Christ? As we survey the globe, progress manifests itself in various ways. In the vast Russian Empire the circulation of the Holy Book still grows. In Roman fields counter-activities have a not unwelcome significance In Muhammadan lands an unaccustomed readiness to read the Scriptures is seen. Eastern wars have improved the prospects of Bible diffusion. Eastern martyrdoms have given a sacred impetus to a new translation. Students of the Bible in Uganda increase by thousands. On and on goes the living Book. Our labour is not in vain in the Lord. Let us exalt His Name together.

### II.—Finance.

Four years of heavy deficits have now been followed by four years which have cancelled those deficits and left a surplus. This has not, however, been achieved without very careful and economical management. Plans adopted a few years ago have had time to tell, and the newest resources have been turned to account to effect reductions in the Scriptures stored in sheets and in the size of the editions printed. A fourth European Protestant country—Denmark—has now been left to provide the Sacred Volumes for itself.

The *General Fund* or really New Income of 1895-96 was £126,372 11*s.* 11*d.*, or £11,403 7*s.* 9*d.* *less* than that of 1894-95. A fall of £9,555 7*s.* 0*d.* in legacies accounts for most of the decrease

At the same time, the *Receipts from Sales* of Scriptures stand at £87,590 2*s.* 1*d.*, as against £93,552 18*s.* 1*d.* in the previous year. A large part of this decrease of £5,962 16*s.* 0*d.* is attributable to the depreciation of silver in some countries, and to the consequent loss under the head of "Interest and Exchange" in adjusting accounts.

Taking the New Income and the Proceeds of Sales together, the gross receipts of the year come to £213 962 14*s.* 0*d.*, and the falling off on the whole is £17,366 3*s.* 9*d.*

*Payments* from the General Fund, under every head, came to £197,756 19*s.* 0*d.*, or *less* by £17,024 10*s* 2*d.* than in the year before. Thus the decreased receipts nave been met by correspondingly decreased expenditure for the time being. It must, however, be stated that measures have been taken for developing the work in

India, China, Malaysia, and other countries which will increase the charges of the current year, and no relaxation of effort must be made, if the Society is not again to have to face years of deficit.

Sundry Special Funds have brought in £3,246 0*s.* 0*d.* Much of this sum is for the moment in hand, as only £377 11*s.* 6*d.* has been spent under these funds in the past year. But the whole is appropriated, and will shortly be required.

### III.—Issues.

Though the payments have, as has been stated, been reduced, this has not affected the year's issues of Holy Scripture. They show a total of 3,970,439 in Bibles, Testaments and Portions, a figure higher than that of last year by 133,217 copies, and one that all but reaches four millions. For three successive years the wave of circulation has advanced. The total issues of the Society from its commencement in 1804 now amount to 147,366,669 copies. Let it not, however, be thought that the Society's work is done, and the world is furnished with all the Scriptures it requires. Millions of these issues must have perished in the ninety-two years which have expired. And the population of the British Empire alone is estimated at 277,809,267 souls There is still scope for many more issues, as well as translations, before the world's need are met.

### IV.—Translation and Revision.

Every succeeding year is a record year in the sum total of Bible translation and revision. Six new versions have been added to the Society's list, but the great work of the year has been the continuation of versions already begun, and the revision of translations which have been long in use.

In Korea in the remote East the translators continued their work unhindered by the tumult of war, and in China the production of a Union version, under varying forms, has been pressed forward without cessation. The great versions of India, in languages spoken by millions, are being brought up to the standard of modern scholarship, and a translation of the Gospel of St Mark and the book of Jonah has been provided for the Todas, an aboriginal race in the Nilgiri hills, numbering in all some 765 souls. The Pashtu version has been completed for the Afghans in the north, and efforts are being made to expedite the revision of the Sinhalese version in the south, on which nine years of patient labour have already been bestowed. A Gujarati New Testament and a Malagasi Bible have, for the first time, been issued with Marginal References.

In Africa fresh ground has been broken by three new versions. Tunisian Yiddish is an attempt to bring the gospel in an acceptable form to the Jews of North Africa. Idzo is a version made by a native and revised by a missionary, for the people of the Idzo district of the Niger Delta, and Lower Ibo is another version made by a native and revised by a missionary, for a district on the Niger for which Archdeacon Crowther's version, in Upper Ibo, is unsuitable.

Carib is a version for the long-neglected people of Stann Creek in British Honduras, and Toda is an attempt by a lady to give the Gospel to one of the smallest tribes in our East Indian Empire.

Kien-ning comes to us from China with hallowed memories. The version will ever be associated with the names of our latest martyrs, the Rev. R. W. Stewart, and the devoted ladies who died at their tasks in China.

## VI.—Home Organization.

In the District Secretarial Staff important changes have taken place since the last Report was presented. In September, 1895, Mr. G. T. Edwards, for many years senior District Secretary, retired after forty-five years of active and able service in various parts of the country. He has been succeeded by the Rev. Jelinger E. Symons, formerly of the North-Western District. The Rev. E. H. Pearce, M.A., who for three years was one of the Metropolitan District Secretaries, also retired in September, 1895 On November 14, 1895, the Rev. Dr. Dickens Lewis after much suffering patiently borne closed a career of remarkable usefulness at Shrewsbury. Dr. Lewis joined the staff in 1869 as assistant to the Rev. Dr. Philips, and in 1870 became District Secretary for North Wales.

The vacancies on the Staff thus created have been filled by the appointments of the Revs. W. Monk Jones, H. Matthew Cox, and D. Charles Edwards

A still more important change is in prospect. On the coming retirement of the Rev. W. Major Paull, he will be succeeded in the Secretariat by the Rev. J. Gordon Watt, M.A , who has been Assistant in that department since the beginning of 1894.

Free Contributions from Auxiliaries at home (inclusive of £680 received as the proceeds of the Newcastle Exhibition) show an increase of £27 16*s.* 8*d.*

## VII.—General Survey and Review.

One very noticeable aspect of the year just closed is the movement which has pervaded it in the internal arrangement of the Society's foreign work—the numerous cases of reorganization which have taken place during its course. It might,

* Col. Channer was also a member of the General Committee.

indeed, be described as a year of changes. But it has also been, in many of its developments and perhaps in a still greater degree, one of most hopeful progress

Let us look, in the first instance, at some of the changes.

The great German Agency has, during the the year, been placed in the charge of Mr. Morrison, who brings to his work the powers which have developed and the experience which has been gained in Southern Russia. One of Germany's nearest neigbours—Denmark—will, in future issues of the Report, appear as an Agency of the Society no more: it has undertaken the home work of Scripture circulation itself. To Spain and to the anxious work which will engage him an Assistant Agent, Mr. Walker, has been sent, who, under Mr. Stewart's genial direction, will administer the Society's affairs there. In the Russian field the Southern European Agency has been united with the Northern; and Dr. Nicolson, assisted by the Rev. W. Kean, now supervises all European Russia with Turkestan and the Caucasus. Siberia will in future form a separate Agency under the direction of Mr. Davidson. The report from Constantinople is the last of those which, for so many years, the devotion and the learning of Dr. Thomson have made so interesting; and the work which, with his faithful and able assistant, Mr. Sellar, he so long directed will be undertaken by Mr. Hodgson, of Persia. The organization of the South African Auxiliary has been strengthened by the appointment of Mr. Nuttall as Secretary in direct communication with London: and on a similar standing Mr. Baring has been deputed to the Indian Auxiliary at Lahore—Mr Edmunds to the Auxiliary at Calcutta, and Mr. Douglas Green to that at Bombay. In China the Society's work, which, for a time, was directed by three Agents, is now administered by one; and Mr. Bondfield's single report—the first from his hand—now represents the whole Empire. Nowhere have more important changes taken place than in Australia, where the appointment of local agents by the Societies energetic Auxiliaries may, perhaps, ultimately render a representation of the Parent Society unnecessary. To so long a list must be added the resignation of Mr. Jetto, of the Argentine, and his annual letter for 1895 is the last of that vivacious series which interested so many in the Society's work in South America.

From these changes in the arrangements of work let us turn to the story of its fortunes and trace again, though rapidly and with but a glance at the scenes through which we move, the path along which the order of the Report directs us from year to year. That order leads us first into the beautiful countries and among the impulsive peoples of the Latin race, and includes in one group France* and Italy,* Portugal* and Spain.† These may best be taken together; their 92,000,000 of population have prevailing community of blood, and, still more, they have community of faith. And the aspect of the year, which is common to all, and which is perhaps the most notable of all others, as we see it from the standpoint of the Society's Agents, is the increased activity of Romanism—one might almost say its revival. In France M. Monad notices it most evidently in the political sphere; in Spain, and still more in Italy, it is seen in new pilgrimages, in missions and processions, in the rehabilitation of neglected saints, in a system of Church socialism which includes every aspect of popular life. To this must be attributed to some extent, though not exclusively, the somewhat lower circulation of Scriptures in the Latin countries—for every clerical movement is instinctively anti Biblical—and the 421,000 copies of 1894 have been reduced to 375,000 in 1895. In Spain, however,

* Total circulation for the year in the French Agency 142,197 (previous year, 167,763); of this by colportage, 59,122 (previous year, 56,116). In the Belgian Agency the total circulation for the year has been 21,171 (previous year, 31,468); by colportage, 10,016 (previous year, 9,046).

* Total circulation for the year in the Italian Agency, 145,407 (previous year, 189,653); by colportage, 68,670 (previous year, 86,164).

* Total circulation for the year in the Portuguese Agency, 11,294 (previous year, 11,664); of this by colportage, 6,536 (previous year, 5,784).

† Total circulation for the year in the Spanish Agency, 75,892 (previous year, 51,907); by colportage, 31,283 (previous year, 20,180).

there has been a noteworthy increase from 51,000 to 75,000 copies. But there are other aspects of the case, and the policy which stirs to ecclesiastical activities is no indirect testimony to the influence of the patient and devoted men who year after year in the cities, in the quiet villages, among the cottages of the people, are placing in their hands the Word of God. It is indeed the Bible,—read in silence, suggestive of new impulses, which often explains so much we cannot otherwise understand. "*I am leaving the Church of Rome*," writes an ecclesiastic quoted by M. Monod, "*not by the door of scepticism, but because I have found in Jesus Christ my only Saviour and Mediator. I have a conviction that the pure Gospel alone can save the world, and that the Church of Rome cannot, without committing suicide, give the Gospel to the people.*" But, whatever may be the motive of a Romanist revival, the spirit which sustains the colporteurs and inspires the more serious minds of the people is of a far higher kind. There is indeed nothing more tender, nothing more beautiful, than the incidents which form the common material of the inner history of the Society's work, whether in France or Italy or Spain. "We want the religion of the Gospel, not of the priests—that is a very common saying," writes one of the men at work in the South of France, and many an incident confirms the sincerity and the prevalence of the wistful complaint. Nor could there be any more unfortunate mistake than to interpret the increased opposition or the temporary lowering of circulation in the direction of despondency. "I think," writes Signor Meille, "that, in spite of somewhat diminished issues, the past year has seen a most comforting progress in the Society's work in Italy." Mr. Stewart concludes his report of the Peninsula in an expression of delight for the "cloud of witnesses that testify, and the harmonious message which comes from many mouths, of the deep impression which is being made by the Word of God, and the great salvation which is being received by many." And M. Monod, taking the longer retrospect of the twenty-five years of his service, sums up the review in words of peculiar significance:—"Every day of my life I am more and more persuaded of the great importance of our work, and convinced that, amidst all the perplexing variety of means offered for the elevation of mankind, there is nothing to be compared with the wonderful Gospel message which it is our high privilege to be engaged in putting into the hands of the people."

From these Latin countries let us pass to those of the Teutonic races, and with Germany* in this review may by united Austria-Hungary. When we have entered Germany we are in the Homeland of the Reformation and of the origin of modern Missions: almost every name is associated with the deeper life and the history of Christianity; and in the Austrian Agency Moravia and Bohemia, if suggestive of times of persecution, recall much more distinctly many of the most inspiring memories. But although among the 93,000,000 of the united populations the circulation of Scriptures for last year has approached a million—it has been over 851,000—Mr. Morrison warns us that even in regard to Germany many years must elapse before the Bible Societies at work there can say that they possess the land. In the year 1895 the total circulation of all the Societies amounted to 692,000: to this total the British and Foreign Bible Society contributed 245,000, and on both sides there has been a considerable increase. "Yet, after all, this represents an average circulation of 13 copies to the 1,000, while in Switzerland, where the Cantonal Societies are 'nobly' pursuing their work, the average is 25. And if, leaving the Protestant population, we compare those of the Roman Catholic that among them not quite 5 copies per thousand are circulated. Among this population the Bible Society is practically the only agency at work, and while its activities are yearly being increased it is evident how much yet remains to be done."

* Total circulation of all the societies in Germany, 692,849 (previous year, 690,495)—this includes editions of private publishers—25,000, The total circulation for the year through the *British and Foreign Bible Society* in twenty to thirty languages 245,085 (previous year, 241,004). Colportage sales were 62,719 (previous year, 64,359). The circulation in Switzerland was 65,513 (previous year, 53,568).

In the Austro-Hungarian Agency* the ratio of average circulation is naturally much lower than in the north: and for a moment the mass of work to be overtaken may seem to overshadow that which has already been done. But if, even for a moment, any sense of depression touches the spirit it must be removed by a study of the pages of Mr. Millard's unique report. Unique it may surely be said to be, for it has the rare peculiarity that, while in almost every section the writer conscientiously enumerates reasons for discouragement, the actual sense of discouragement is never felt. So sensitive is his kindly spiritual temper to the value of spiritual success, and so rich and redolent are his chapters with instances of developing Christian work and individual renewal, that there is no cloud in the flood of sunlight, no interruption in the consensus of happy gratitude. The secret of the charm of Mr. Millard's report is less the profusion of the inspiring stories with which the colporteurs furnish him than the way in which he realizes the immense value of the individual. It is indeed one of those open secrets which all might have learned long ago from the words that tell us that there is joy in Heaven —and that surely is the native land of joy—over *one* sinner that repenteth.

Leaving the Latin and the Germanic countries, let us turn to those where the dominant faith is that of Muhammad. In this group may be included not only the Turkish Agency, and that of Egypt with Syria and Palestine, but also the Persian, and—along the Mediterranean coasts—those of Morocco and Algeria.

Islam is a declining and retreating power, but it is significant that it still possesses the countries which it won and dominated in its prime. In the later middle age it was the mistress of Palestine: it had subdued Antioch, which had once stretched its Patriarchate over the East and fostered churches as far as the Wall of China; had silenced the Christian schools of Alexandria; Hippo and Carthage and Tagaste and every sacred spot of the African Church the memories of Augustine, of Alypius, of Cyprian and Tertullian, of Monica and Perpetua—the regions that had been hallowed by innumerable martyrs, were all overrun by the teachers of Muhammadanism. Even in Europe Christianity was assailed, and the cry of the Muezzin was heard from a hundred minarets in the city where Chrysostom preached to Christian Emperors.† Besides these there was Arabia, and especially there was Persia, with its mediæval universities from which the culture and the literary influences of Muhammedanism extended over the civilized world.

But all these countries are now centres of the Society's activities; in all of them the Scriptures, in polyglot variety, are being freely circulated, and from all of them, within this latest year, comes a testimony—clearer from some, less emphatic from others—but distinct in its unanimous agreement—that never has the Muhammadan mind been more open to read the Evangel than now, or more ready to respect the claims of the Son of God.

The total population of these Muhammadan countries is about 50,000,000, and the total circulation of Scriptures from the various centres during 1895 has been close upon 100,000 copies. This number, in one sense comparatively small, is in another inspiringly large. How different were the returns but a quarter of a century since! And it is not merely a circulation which will most deeply encourage those who are most fully acquainted with the various fields, but there occur in all of them most welcome evidences of the liberalizing and the saving influences of the Gospel, "The deepest interest," writes Mr. Weakly, "which attaches to the work of the Egyptian Agency"—the Agency includes along with Egypt, Arabia, Syria, and Palestine—"is the share it has in the opening of a new chapter in the history of the peoples whose spiritual life has been well nigh extinguished by the

rise and rule of Islam. The restoration of the Word of God as a living voice to these lands, speaking to all men, whether Muslim or Christian, is a fact of great significance and far-reaching consequences." He adds that the circulation of 28,000 copies in fifty-eight languages indicates not only a notable extension of the linguistic sphere but the highest total ever reached in the Agency.* In the Morocco Agency the circulation has also considerably advanced, and Mr. Mackintosh speaks with unusual hopefulness of the work he so devotedly carries on.† Of Algeria and Tunis Mr. May writes with similar consciousness of stedfast gain on the slowly retreating mass of unspiritual darkness.‡ Mr. Hodgson in his report on Persia contrasts the 2,000 copies of five years ago with the 10,000 in fifty-eight languages of to day, and beginning with the old region of Mesopotamia, where the nomad Arabs "pitch their tents on the debris of forgotten empires," passing southward by the Bassorah of the Arabian Nights to Bushire, thence climbing the mountain stairs of the Khotals to Shiraz and Isfahan, bids us notice at every step evidences of encouraging spiritual advance.* § The report from the Turkish Agency is Dr. Thomson's last; he can announce an increased circulation, a growing liberality of thought, many instances of success; his brightest pages are perhaps those which describe the Society's work in Smyrna—once the home of the Apostle John, and in those Ionian islands from one of which he watched the panoramic vision of World-shaking conflcts and the victory of the Lamb of God.‖

To pass from the lands of Muhammadanism,—where to-day is shadowed by the despair of yesterday, to the Russian Empire,—where, from east to west, to-day is brightened by the hope of to-morrow—is to enter another world. No one can speak with fuller or more appreciative knowledge of the Slavonic race than Mr. Morrison, and in his report for last year, he reverts, though dealing with Germany, to the scenery and the people he has left. He speaks, as he has often spoken before—as Dr. Nicolson has spoken—of "the rich, warm nature of the people,—with their mysterious musings and imaginings which must yet powerfully affect the West; of the illimitable steppes, the new wealthy lands, and, further east, the great mountains and their silent valleys, with the remnants of ancient races bordering their slopes, and civilizations older than history again reviving and preparing to play their part in the world and history of to-day." With hardly less enthusiasm Mr. Davidson writes of the immense Siberian religion now forming the Agency under his care—of the astonishing progress which is being made—the ever-widening flood of immigration—the opening up of the natural treasures of the country. Even more significant is the way in which he describes the measures which are being adopted for the education—and specially for the spiritual education—of the new populations; of the genial temper of the common people among whom the colporteurs labour; and especially of the practical expressions of goodwill to the Bible Society and its work which he has everywhere found from bishops, from civil governors, and not less from steamship proprietors and influential private friends. These most welcome accounts are repeated within his own great Western Agency by Dr. Nicolson. The circulation in both the Agencies for the year has considerably increased on that of 1894; and *that* was more than half a million copies, or

‖ Total circulation for the year in the TURKISH Agency, which includes the Turkish Provinces, Albania, Bulgaria, Eastern Roumelia, Greece, Cyprus, Crete, the Ionian Islands, etc.,—thirty-three languages—38,977 (previous year, 37,907); by colportage, 17,827 (previous year, 18,683).

almost one-seventh of the entire circulation of the Society. The significance of these pleasant statistics is greatly emphasized by what Mr. Morrison incidentally says about the Russian circulation :—"It is certain that there are not half so many readers in Russia as in Germany, and yet the circulation of the Scriptures of that vast land, where the means of communication are so imperfect and the distances so enormous almost equals that effected in Germany." With one copy in every seven issued by the Society going to Russia,—with a people so remarkably susceptible of spiritual truth,—with the courteous co-operation and encouragements which everywhere welcome the work of circulation of the Word of God—there are surely hopes of no usual kind to be entertained about the future of this great empire.*

Eastward and towards the south from Russia lie two of the most potential of all the Society's Agencies; and the reports of 1895 are the turning of that leaf of the spiritual history of China and Japan which so many feared to anticipate. With a war so wide and so devastating, so intense in its passion, so unexpectedly involved with political interests of both east and west, it might not unreasonably be feared that the page when turned might be darkly filled with accounts of religious hatred, even more bitter—of doors closed to Christian entrance—of the progress of the kingdom of peace delayed for generations. But in this as in so many other cases fear has been disappointed, and hope has been more than fulfilled. Round some of the very darkest scenes of loss and sorrow there has sprung up, like the bloom and sweetness of flowers on a grave, a strange tenderness of popular feeling: already the honeycomb has been tasted which came from the skeleton of Death. In China the issues have been exceptionally large,† and the circulation, though naturally lessened as regards the field of war, remarkably high, and—"what is still more interesting," writes Mr. Bondfield, "for many years we have seldom, if ever, had so many cases of real blessing, so many tokens to cheer and encourage." One of the cases to which Mr. Bondfield perhaps refers is the formation of a Native Book Lending Society at Canton, which supports its own agents—nine in number—which has carried out a visitation of 4,000 villages and 5,000 schools, and put into circulation, in a most effective way, many copies of the Scriptures. It has been said that "for three and twenty centuries Confucius has been the friend and guide of one-third of the human race," but there are signs, which the most casual reader cannot misunderstand, that the Mongolian race is coming under the influence of another Teacher, as much higher and wiser as He has become, to multitudes of those who have found him more unspeakably dear.

From Japan the report of the year is, if possible, more inspiring—there is pervading it a sense of half-expressed, half-silent wonder at the events which its own pages describe. The circulation, which in 1894 was 114,000, has more than doubled: the returns for last year have risen to a quarter of a million ‡ Of this number one-half has passed by special grant into the hands of soldiers and sailors, and 100,000 copies for free circulation otherwise, but the goodwill of the authorities, who at once permitted and encouraged the distribution, and the readiness with which the copies were received, is much more significant than their actual amount § It will be extremely interesting to watch how far the normal work will be influenced by circumstances so exceptional—but, whatever mny be the future of the Bible in Japan—and all Christian history is more or less intermittent in its development—

nothing can alter the past, or take away the hope that so liberal a sowing of the Word of God will be heard of with rejoicing, though after many days.

With the Chinese and Japanese reports, which everywhere allude to war, the accounts for India are in almost marked contrast—they describe a year of quiet work, of gradual and undisturbed progress: the colporteur has pursued his village tours as before; the translators have carried their revisions a stage further; the missionary has observed with deepened pleasure the entrance of new disciples into the fellowship of Christ, and learned, as he has long been taught to expect, that many have received their first impulse from a gospel read in silence, with no teacher to explain its strangely attractive mysteries, which—mysteries though they seemed to the intellect—had made themselves somehow comprehensible to the heart. Perhaps the most interesting part of Scripture circulation in India is that among the graduates of the universities—those young professional men who so easily make shipwreck of their gifts and opportunities, but who, when consecrated by a higher learning, are so sure to become centres of deep and wide influence for good. Of this attractive movement Mr. Wynkoop, in connection with the Allahabad Auxiliary, gives many memorable facts. But, in whatever way carried forward, the advance of Bible knowledge is irresistibly sure, and the ascendancy of Christian truth incontestably certain. The past religious history of the Hindu peoples shows that they have passed through many changes and have been deeply influenced by each. The tides of thought which are seen in the Vedas and the Puranas, in Buddhism and Brahmanism, have left permanent results behind them, but they have ebbed as well as flowed, and it cannot be seriously doubted that, with the ocean voice and the ocean fulness and power, another tide drawn from a deeper source is rising on the shore. With the subtle refinement of his race a leading Hindu scholar recently said that, while he could not say that Christianity had at all conquered India, or that in its western form it would ever conquer it, he dared to say that Christ had conquered India already. The balanced antithesis may seem little more than a rhetorical flourish, but there are evidences to which the Bible Society Reports of every succeeding year are a remarkable contribution that the time is conceivably near when the innumerable sects of India shall have at last become of one mind, and a population from the Himalayas to cape Comorin shall have accepted Christ.*

From India the transition is natural to Malaysia, and along with the Malaysia Islands may be reckoned Madagascar, for the dominant race there also is of Malay blood. It was in Sumatra and Java that the early Dutch settlers made the strange experiment of Christianizing the natives by force, and, till the jungle swallowed them, there were once hundreds of churches and a nominally Christian population approaching half a million. The unhappy method has long since been discredited, and it is on far different lines that Mr. Haffenden, with his band of young English Sub-Agents and his native colporteurs seeks to commend the gospel. He has often emphasized the receptiveness of the Malay character, and he has approached it only by the persuasiveness of the message of divine love. There are few more interesting Agencies than this—few narratives are more full of life and colour than those despatched from Singapore. The year has been, as every one hitherto has been, more or less one of encouragement, though, principally from the weakness of the European staff, the circulation has been considerably lessened.† But it can hardly be doubted that during the current year the deficiency will be more than made up. Miss Leader has been compelled to return home—the strain

* The Bible Society has six Auxiliaries in India—Lahore, Allahabad, Calcutta, Bangalore, Bombay and Madras. The total circulation, through these, for the year 1894-95 has been 476,982. The returns of the previous year were 527,932. There are three Auxiliaries in Ceylon, but the returns from these for the year are incomplete.

† Total circulation for the year in the MALAYSIAN Agency—centre at Singapore, and including Java, Borneo, Sumatra and other Islands—thirty-one languages—59,845 (previous year, 76,867); of this by colportage, 54,955 (previous year, 71,474).

has been too heavy—but one Muhammadan Malay has been led by Bible reading to Christ, and other fruits of her exhausting labour will no doubt be reaped by another hand. In Madagascar the circulation in the northern district has been naturally less than that of 1894, but it is reassuring to know that the French rule has till now been studiously conciliatory, and that no serious obstacle has arisen to the Society's work beyond the inevitable disturbances of war.

In the Society's report America holds no space corresponding to its extent, for the American Bible Society has long ago accepted the responsibilities of Scripture supply in the United States as well as in other parts of the great continent. But Mr. Jetto's annual letter on the Argentine is the latest chapter—from his hands unfortunately the last—in a most interesting history. Mr. Dos Santos continues his unpretentious chronicles of Bible work in Brazil; and further dorth Mr. Heath, with a versatility and singleness of purpose he may well have inherited from Moravian ancestors, describes the affairs of his West Indian Agency. Among the Auxiliaries of Canada, in Toronto and Ontario, in Quebec and Montreal, the work to a large extent resembles that carried on in England, but here also colportage is writing page after page of its engaging history; and in that great book of the human heart there are few more instructive chapters than those devoted to the fisherfolk of Newfoundland, or to the new settlers who among the New Brunswick pine woods welcome the colporteur as a friend, and, reading the Gospel he has left with them, seem to hear their mothers' voice again, and unite in the same devout thought both heaven and home.

A survey necessarily so rapid as this may convey some inpression of the vast fields and the numberless races which the Society includes in its plan—of the largeness of its conceptions, of the many-sided influence which it exerts. As if from some "specular mount" one seems to see an outspread panorama of nations and countries, and feels the natural inspiration of the thought that either through its own Agencies, or aided by the Societies which have more or less directly sprung from it, the Bible Society occupies literally the whole world. But if it gain in conveying large and general impressions such a survey necessarily fails in enumerating or emphasizing details. There are a hundred matters of interest which appear only to a closer view and within a narrower field of vision, and these cannot be given here. But to one or two of them before closing, some, if the slightest, reference may be made.

First—there is the *work of the Biblewomen in the Zenanas of India and the East.*

The chapter which, in the larger Report, is devoted to this subject is one of the most statistical and compendious, but at the same time one of the most strangely suggestive and impressive. From it we may learn that 473 women, already connected with various organizations, have been subsided by the Bible Society in order that they may devote themselves to the ministry—surely one of the most beautiful and sisterly—of carrying to the listless inmates of the Zenanas that story, so certain to fascinate and inspire, of the love and the death of Christ. When they cannot read—and only too few can—the Biblewoman will read to them, and she will teach them—with what patience and painstaking she only understands—the difficult process of reading for themselves. Within the past year 1,455 native women have been thus taught: almost 30,000 have week by week been visited: 4,223 copies of the Scriptures have been given, and 14,425 copies sold. What statistics these are when translated into the real things—the new conceptions, the startling knowledge, the dawn of immeasurable hopes, the unthoughtof interests, which they represent. For a thousand years that place of the Eastern home which should have been the happiest—the centre of the busiest and the gentlest concerns—has been the darkest and most uninspired. But in the kind ministry of these women, with the light in their own hearts and the Gospel in their hands, there has dawned a new and warmer season. One day the passage which was being read seemed to possess some strange and unusual power. As she listened the Hindu wife became absorbed: the dark eyes glowed—a new light shone out of them:—"*A woman wrote that!*" she exclaimed at last, "*no one but a woman could know what you say.*" But it was the

story of the Magdalene who bathed our Lord's feet with her tears, and the words were those of the Son of God.

There is another subject entirely different, but with a peculiar interest of its own—it is *the relation in which the Bible Society stands to the various Missionary Societies at work in the home or the foreign field.*

During the past year there have been applications to the Bible Committee from many of these Societies for supplies of Scripture indispensible to mission work; and there have been few more welcome and more cordial letters received than those which acknowledge the grants when made. And these expressions of obligation form year to year a kind of annual supplement to detailed statements of indebtedness and explanations of mutual co operation, which in several instances have been already published. To study the work of the Bible Society within its own limits is sufficiently interesting; but to examine its relationships with every other active Christian agency is perhaps more interesting still, and it can hardly fail to be exceedingly pleasant. It is important to know that the Society's own work is good, but to know that upon it vitally depends the work of all the great Missionary Societies is perhaps better. And, that the Church Missionary Society owns this friendly dependence, and, along with it, the Society for the Propagation of the Gospel, and the Universities' Mission, and the Wesleyan Missions, and those of the Baptist and the London Missionary Societies—all this is an argument and an evidence of the most pleasant and instructive kind. The Bible Society is indeed debtor to all; for from the trained and gifted scholars of the Missionary Societies it has received and is still receiving, many of its most admirable versions; but it is a delightful compensation that by restoring these and every other version they need into their hands it makes them all its debtors in return.

A closing reference may be made to the always interesting subject of *the Society's translations.*

An earlier section has given some details of popular interest on the subject of the year's work. We learn that several new languages—their very names are strange and unfamiliar—have been added to a long roll, and that the list of versions is now over 330.* As one turns over the pages of the *Specimens* of these bewilderingly numerous forms of speech, still more when their sounds fall on the ear, one cannot but feel that the doom of the confusion of tongues still rests fatally on the race, and sometimes wonder how far even the triumphs of translation have removed it, or succeeded in transmitting the single clear ray of scriptural truth through languages so evidently and so confusingly dissimilar.

There is a volume on the shelves of the Society's Library which may suggest the reply. It is the Genevan Bible of 1560.

Two hundred years ago one of the most devoted of the northern ministers was on his death bed,† and in the early April morning his brother, with the Geneva Bible before him, read the tender words, '*Christ is to me in life and in death advantage.*' The dying man reverently moved his head—'that,' he said, 'was a sib sentence to me once before: my father spake that when he was dying." The words of the Old Version do not occur in our present one; we find instead: '*For me to live is Christ and to die is gain.*" The difference at first seems not unconsiderable, yet in the mighty truth to which they give expression both are substantially the same. And what is partially true of these two English versions is entirely and accurately true of all the 330. What a variety indeed is there—what endless differences—in vocables, in structure and in style! Between the guttural Sechuana and the musical Italian every chord of the harp of human vocal sound might well be exemplified. But, after all, they carry a single message, and to that they are entirely true. And that message, which in every land the people hear, each man in his own tongue wherein he was born—is that *God loves the world.*

---

* During the last five years the number of languages and dialects in which some portions of the Bible exists has increased from 329 to 381, and fifty-two new versions have been made. Of the fifty-two new versions, twenty-nine have been issued by the British and Foreign Bible Society.

# REPORTS OF AGENTS.

## REV. W. S. BALL.

My first meeting was at *Clandeboye*, the headquarters of the *McGillivray* and *Biddulph* branch. Here I met the venerable secretary, Mr. D. Schoff, a veteran in the work, one of my old fellow-workers of thirty-five years standing. This Society has but a limited field, but is doing its work well, as usual.

*Parkhill* came next. Here is a marked improvement, and good work doing. Dr. Caw, a President worthy of his father, along with Mr. Chamberlain, a veteran in the work, and a young and energetic Secretary, assure good work for the future, as in the past. Every minister of the Gospel in this thriving town was on the platform, except my old friend and fellow-worker, Mr. Mills, who was in Toronto at the Sunday School Convention.

Next came *Ravenswood*. This fine Society is at its work as usual. The illness of the President prevented his attendance at the meeting, which was a most successful one.

*Thedford* is now well organized and will give a good account of its stewardship. Here the ministers turned out well and made a most interesting meeting.

*Camlachie* needs no commendation Its works speak for it. I think the outlook is brighter than ever.

*Forest*.—All the resident ministers were present and took part in the meeting, which was a most lively one, and gives bright promise for good work. The former officers, most efficient men, were re-elected for the year.

*Corunna* is a branch with a limited field. The venerable Depositary, Mr. Miller, was compelled to resign by the weight of years. His services will be long remembered. The Branch is doing well.

*Sarnia*.—A good meeting. Every resident minister present and took part in the deliberations. A Provisional Committee was appointed to complete the organization, and it is to be hoped that Sarnia will soon resume its old place as one of the banner Branches of the west.

*Mooretown* and *Courtwright* are so close together that their separation is a weakness to the work. As a husband and wife they might have a happy family of Bible workers around them. Capital field, with earnest workers for one. We will see what the future will bring forth.

At *Sombra* a new departure was made. By the unanimous vote of the meeting, when the men were in more than a prayer-meeting minority, it was resolved *unanimously* to organize a Ladies' Bible Auxiliary. A bachelor president and a like secretary-treasurer were succeeded by a married lady in each office, while a young lady takes the secretary's pen for the year. We shall see good results I am certain.

*Lobo* is well to the front. The Society, which is purely a contributing one, is gradually covering its territory of the whole township, and is certainly moving to stand side by side with East Williams and East Westminster.

At *Melrose* the meeting was peculiarly delightful.

## REV. J. BECKET.

*Windsor*.—A concurrence of circumstances over which we had no control rendered the meeting of this branch almost a failure. Many other meetings and engagements prevented a number of the warm friends of the cause from being

present, so that the attendance was small A satisfactory and detailed report was given by the Depositary, and the officers present pledged themselves to appoint collectors in due time.

*Botany.*—The attendance was above average, and a fine evangelical spirit was manifested by all present A union choir led the service of praise. Stirring and well-timed addresses were given by Revs. J. A. Mustard (Presbyterian) and D. M. Kennedy (Methodist), and your agent spoke on the ' Adaptation of the Bible to the Needs of the Present Age " The Society here is in a healthy condition, and compares favorably with any other in a purely rural district.

*Chatham Township.*—The meeting was held in Chalmers Church, and the attendance was small. Owing to sickness at home, the secretary was not able to be present. There were, however a number of warm-hearted Christians on hand. Mr. Oliver, the treasurer, gave a satisfactory report. Mr. Stark presided, and the agent gave an address. New officers were elected, and collectors covering a large area were appointed. The indications are that a systematic canvass for subscriptions will be made.

*Dover*—A warm reception was given to your agent by the president, Rev. J. W. McLintock. He and his kind-hearted partner in life evidently have the cause at heart. The meeting was held in the Baldoon Methodist Church, and was addressed by the pastor, Rev. Mr. Byers. The address of the agent was listened to with marked attention, and the few who were present evinced deep interest in the great and good work of the Bible Society. Collectors were appointed, and they will no doubt be heard from when the proper time comes

*Dresden.*—The meeting was held in the Presbyterian Church and was in every respect a success. In the absence of the president, the Rev. J O McCullough, the pastor, presided. Pointed addresses were given by Revs. W. Holmes (Episcopalian) and J. W. Hoyt (Baptist), and the singing, led by a union choir, was hearty and soul-inspiring. The agent's address was well received, and responded to by a standing vote of thanks. The collection was good, and the report given by Mr. Ward, the secretary-treasurer, was full of accurate information. The depository was visited by your agent, and he suggested the reduction of prices of unsaleable stock and the purchase of a fresh supply of books

*Wallaceburg* was corresponded with, and the officers there prefer to do the work without visit of agent.

*Appin* will let me know if visit is desired, but the probability is they will manage the work themselves.

*Thamesville* will hold annual meeting on one of the evenings of the Week of Prayer in January, 1896, without expense to the Society.

## REV. G. BROWN.

*Madoc.*—Pulpit exchange and sermons preached in village and country.

*Madoc Village.*—Held a platform meeting on Sabbath evening in the Presbyterian church (Methodist service withdrawn). Fine meeting. Full house. Liberal collection ($8.25). Faithful collectors and increased returns. Two outside meetings held. One at Eldorado—collection and subscriptions $17.75; Cooper and Rimington — collection and subscriptions $12.50. Total for *Madoc* branch $93.00.

*Campbellford.*—The public meeting was appointed for the prayer meeting evening of the place and opened with a " union prayer meeting " in the Presbyterian church. We had a very fine meeting; by far the largest we have attended; an oasis in the desert, refreshing the heart of a Bible Society agent. Rev. Robert Laird is the vigorous president. Three or four meetings were held out in the country. Total for *Campbellford* branch, $103.19; increase, $62.12. Is not that fine? Will neighboring places *notice* this and *follow suit?*

*Stirling*—Not a very large meeting, still the branch is in good shape. The resident ministers intend to hold outside meetings. Total subscriptions from branch $38.oc, and is a good increase over previous year.

*Trenton.*—The meeting had been well announced, but for some reason the audience was small. Mr. W. H. Austin, who, for a number of years, has been a warm friend of the Bible Society, having retired from the position of president, Mr. W H. Birkinshaw was chosen as his successor. As I have not the returns from Trenton I cannot say how the branch stands financially.

*Tweed.*—Held two meetings on this work. Meeting at lodge-room well attended ; that at Tweed far too small. However, the cash returns are decent, as the collections amount to $38.76, being a good increase.

*Flinton.*—A drive of twenty miles brought me to Flinton, to address an audience of about as many people. Still Flinton did pretty well.

*Frankford.*—Meeting held in the Methodist Church. Found the church considerably larger than the audience. However, we had a pretty good meeting. Total collections, $9.41.

*Roslin, Thomasburg, and Bethel.*—Spent a Sabbath on this work, and held three platform meetings—taking Bethel in the morning (a new place for Bible Society effort}.Roslin in the afternoon. and Thomasburg. Meetings well attended. Collections from branch, $31.02. Pretty good, but they can do better.

*Moira.*—The night appointed for meeting it rained, so your agent only found about forty people present. Had a prayer meeting and decided to try another night. This we did, but a snow storm made the attendance only about the same. Some of the collectors had already done their work. This we think a mistake, if the meeting is to add any impulse to the liberality of the community. Total amount collected, $8 55

*West Huntingdon*—This is a new branch just formed, with Mr. Charles Kingston as president. It has made a fair start. Collections, $14 80.

## REV. B. BRYAN.

*Lakefield*, Nov. 14th.—Meeting held in Presbyterian Church. Mr. J. Hall, President, in the Chair. About 125 were present. Rev. Messrs. Limbert and Reeves took a cheerful part in the proceedings. Rev. Messrs. Andrews and Liddy assisted. This was really a good meeting. The branch is well alive to the importance of the work.

*Mount Pleasant*, Nov. 20 —Meeting held in Presbyterian Church. Mr. Graham, the President, and a good friend of the Society, attended to the business of the evening. A concert was held in the village the same evening, but the Bible Society friends were out in good number. Rev. Mr. Ewing commended the work. The Secretary, Mr. McLean, presented his usual careful report.

*Janetville*, Dec. 2.—Meeting held in Methodist Church Mr. John Burn, President, occupied the chair. There was a very fair attendance, considering the weather. Revs. D. P. Oswald and C. H. Coon delivered short addresses. As the women shewed a deeper interest in the work than the men by their attendance in larger numbers, the branch appointed a strong committee of ladies to help in the work during the coming year.

*Pontypool*, Dec. 3rd.—Meeting held in Presbyterian Church. The President being absent by removal from the place, Rev. Mr. Sexsmith acted as chairman. With regret it was reported that, on account of the removal of the Secretary, no collections had been made in the district during the year. New officers were appointed and the hope of better work being done in the future was expressed by those present.

*Bethany*, Dec. 4 —Meeting held in the Presbyterian Church. The President, Dr. Brereton, being away in Toronto, Rev. R. Johnston was appointed chairman. The night was stormy, but there was a fair attendance. Rev. R. Allin commended the work. This branch failed in its collections during the year. Here also a committee of ladies were appointed to help in the work.

*Cavenville*, Dec. 5th —Meeting held in the Methodist Church. The President was absent. Rev. J. Kilgour conducted the meeting. There was a fair attendance. Other meetings on the same night interfered.

*Fraserville*, Dec. 6.—Meeting held in the Methodist Church. Very good attendance. Rev. T. S. McKee, President, conducted the meeting and commended the work. The officers of the branch are anxious for the success of the work.

*North Etobicoke*, Dec. 16th.—Meeting held in Methodist Church, W. A. Wallis, Esq., who for forty years has served the Society, conducted the business of the meeting. There was a small attendance, owing to several opposition attractions. A good spirit prevailed.

*South Etobicoke*, Dec 17th.—Visited the Public School in the afternoon in order to give a good notice of the meeting. Meeting held in the Methodist Church. Rev. Mr. Perry was present and assisted in the work. Rev. H. C. Dixon delivered the address of the evening Night very dark and attendance small

*Weston*, Dec 19th.—Meeting held in the Methodist Church. The President, Mr. Thos. E Elliott, occupied the chair. Rev. Mr. Ferguson, pastor of the church, assisted in the meeting. The attendance was small, owing, it was said, to four or five counter meetings. Reports were received and all the necessary business transacted.

*Woodbridge*, Dec. 20.—Meeting held in Methodist Church. The President, Rev. H Bentley, conducted the devotional exercises and the business part of the meeting. The attendance was small. Rev. Thos. Fenwick, a good and long-standing friend of the Society, read the report, and afterwards delivered a short address. Rev. A. J. Hudson was also present and took a hearty part.

*Mono Mills* Jan. 2nd.—Meeting held in the Church of England. Very stormy night. Attendance good. In the absence of the President, through illness, Rev. E. J. Adams conducted very well the business of the meeting. Good choir. Rev. R L. Weaver, pastor of the church, commended the good work of the Society. Very good meeting.

*Charleston*, Jan. 3rd.—Meeting held in Methodist Church. Pastor of church absent on account of another meeting The President, D. McFarlane, conducted the business. The attendance was small A very special effort is necessary to

revive the work in this neighborhood. Rev. Mr. Wilson was unable to get to the meeting till just at the close through another engagement.

*Lloydtown*, Jan. 7th—Meeting held in the Church of England. Very large attendance. Rev. R. E. Toye in the chair. Pastor of the church, Rev. Leo Williams, ill at rectory. A good choir helped very much the proceedings. Several short addresses were delivered. This was really a good meeting, and the promise seems very encouraging for the success of the work.

*Humber Summit*, Jan. 13th.—Meeting held in Methodist Church, Mr. Geo. Sutton, President, in the chair. The attendance was small, about 35, owing to he annual meeting being held in different places in the district each year. The officers are men who will look after their work.

*Bolton*, Jan. 21st.—Meeting held in Methodist Church The pastor of the Church, Rev. H. Harper, conducted the devotional exercises, and the President, Mr. James Craig, the business Rev. T. McGlaughlan was present and commended the work. Reports were satisfactory. The work of this branch will be managed successfully.

*Caledon East*, Mar. 8th.—The officers of this Branch thought the one thing needful for their work, at its present stage, was a Sunday service. This was held on March 8th. The Methodist body kindly gave up their evening service for it. There was a crowded congregation, though the weather was stormy and the roads drifted. An excellent choir assisted in the service. It was a good meeting. The collection of the evening was given to the Society.

## REV. ROBERT BURNS, PH.B

*Caistorville*, Oct. 21st.—The meeting was held in the Methodist Church and was attended principally by the members of the Executive, owing to the fact that a concert was to be held in the same church at 8 o'clock Notwithstanding this drawback the members took a lively interest in the Society's work. The President, Jas. Archer, occupied the chair. Rev. H. A. Cook gave excellent advice. The officers and collectors were re appointed. The Depository needs a fresh supply of books. The Secretary, W. E. Stevens, was very kind to the Agent

*Caistor*, Oct. 22nd.—Here we held the services in the Kerr Church. President Kerr, an ardent worker of the Bible Society, occupied the chair. In the absence of the pastor, the Agent conducted the devotional part and gave the annual address to an attentive audience. Mr. Alva Coon, an excellent young man, was elected Secretary in the place of Mr. Tweedle (deceased), who was a devoted member of the Branch. The outlook is encouraging.

*Winona*, Oct. 24th.—Here we were greeted with a fair-sized audience in the old "Fifty Church." The Secretary, J. G. Whittaker, gave an excellent report. The President, F. B. Henry, looked after the wants of the Agent. The singing was hearty, the interest lively, and the prospect good. The people were in the midst of apple picking and shipping, yet they seemed desirous of seeing the work of the Bible Society advance.

*Smithville* Oct. 26-27th.—Sabbath was occupied by the agent preaching in the Methodist Church at 11 a m, and in the Presbyterian Church at 7 p.m The agent also addressed a mass-meeting of the young people at 2.30 p.m. Oct. 29th. —The business meeting was held before the public service, The Rev D. H. Taylor, President, was in the chair. The audience was larger than usual. The Rev. A. J. Mann, B.A., the newly elected President, gave an able address. The agent addressed the meeting on the "Value of the Bible." The Depository is very low, many of the books are old stock and were marked down. The prospect for this branch is very hopeful.

*Wellandport*, Oct. 28 —A good sized audience assembled in the Methodist Church. Miss Misner, organist, led the singing. The branch is well officered

and is in a good healthy state. The stock of Bibles is very low and needs renewing. I do not wonder that there were no sales during the year. The agent made his remarks mostly to the young people.

*St. Ann's*, Oct. 30th.—A fair number assembled in the Presbyterian Church. President Crookshanks was in the chair. The meeting was good. The people were interested in the annual address and expressed their desire to work more faithfully. The collectors are going to work while the weather is fine. It was resolved to meet next year at Eden. We were entertained at the home of the newly elected President, Wm. Freas, Esq.

*Campden*, Oct. 31st.—Mr Moyer, Sr., occupied the chair in the absence of the President who was prevented by illness. It rained during afternoon and evening, yet about forty friends of the Society assembled in the Evangelical Church to hear the annual report and listen to the address. The Secretary is a faithful officer and gave a very interesting report. The Depository is well kept. This branch is strong and will give a good report.

*Beamsville*, Nov. 1st —The meeting was held in the Methodist Church and was fairly well attended. After the reading of the Scriptures by Rev. C. Cousins, the Rev. Dr. McIntyre led in prayer. The President, Mr. Culp, occupied the chair. The Rev R. Marshall gave an excellent address. The agent dwelt upon the "Work of the Society." J E. Bennett, Esq., was elected as Treasurer and will give universal confidence. The Depository is in good hands, well provided with suitable books. The importance of immediate work on the part of the Executive and collectors was urged and desired by all present

*South Saltfleet*, Nov 21st.—The meeting was appointed for Oct 23rd, but was postponed because of the absence of the President. We at last arranged for the meeting which was held in the Methodist Church at Tapleytown on the evening of Thanksgiving Day, and the attendance was much larger than usual. One delightful feature was the large number of young people present The Venerable President, H. Ptolemy, Esq , occupied the chair, and the pastor, Rev Geo. Whitworth, led in the devotional exercises, and also gave a very fine address. The report of Secretary Clarke was adopted and showed signs of progress. The field is divided into the five school sections and collectors were appointed for each. The Agent addressed the audience on the "Value of the Bible to the Young and the Influence of the Bible Society."

*Niagara Falls and Queenston*, Jan. 30th —The annual meeting of the above branch was held in the Baptist Church. The Ven. Archdeacon Houston (president) occupied the chair. The report of the Secretary was read and adopted. Mr. E. S Cole, was appointed Secretary in the place of the late S. K. Birkly. The pastor (Rev. T. S. Tabscott) led in the devotional exercises. The Rev. R. Burns gave an address on the "Work of the Society in Relation to Missions." The collectors were appointed and the districts assigned. We expect good results from the meeting.

*North Pelham*, Feb. 8th.—The meeting was held at Fenwick in the Methodist Church. Owing to the lateness of the train, the agent was a little late and found only a few persons present. Stormy weather and scarlet fever prevented the people gathering. However, the officers consented to continue in office, and see that the collectors do their work so as to be able to report before the end of March. Dr. Comfort, the President, Rev. J. P. Bell and Mr. Kennedy gave valuable counsel. It was agreed to hold the meetings alternately with Fenwick.

## REV. J. CARSWELL.

*Fordwich*, Oct. 23rd.—The meeting was held in the Episcopal Church, and was well attended, and a great deal of interest manifested. All the resident ministers were present, and gave short and pithy addresses. The agent's remarks

were well received, and a resolution was carried not to discontinue the visit of the agents, as the Committee had proposed. This branch has excellent officers, who not only work the immediate field well, but hold meetings in one or two outlying districts and get them interested in the good work.

*Newbridge*, Oct. 24th.—The attendance was fair; the officers all on hand with their reports ready. This branch, though small, has been in existence for a long time, and is in thorough sympathy with the work of the Society. The addresses of the agent and the Rev M. Dobson, who had kindly driven him from Fordwich, were listened to with attention.

*Gorrie*, Oct. 25th.—A good live meeting was held in the Presbyterian Church. All the resident ministers were present, and along with the agent gave brief addresses. A large union choir added much to the interest of the meeting by the music which they furnished. This is a good branch, well officered, and work done in a satisfactory manner.

*McIntosh and Belmore*, Oct. 27th and 28th.—Here the agent spent Sabbath, preaching in both places, having a union service at the latter, at which some of the characteristics of the Bible that distinguish it from every other book and the duty of sending it to others were set forth. On Monday evening the annual meeting was held in the Presbyterian Church, Belmore. The attendance was good, and the interest shown very pleasing. All the officers were present and reports from the Secretary-Treasurer and Depositary read. This branch adopts the system of dividing the whole territory into twelve districts and appointing a director for each, who sees that the collectors appointed go round at the proper time, or others are secured in their place—a plan that might well be copied by other branches.

*Lakelet*, Oct. 29th.—The attendance was good for the state of the roads, about six inches of snow having fallen during the day, making travelling exceedingly bad Addresses were given by the agent and the Rev. A. C. Stewart, of Belmore, who had kindly accompanied him hither. As some failures had occurred last year on the part of the collectors, the plan was tried of appointing a director for each district, who is charged with the responsibility of seeing that the work of collecting is attended to. Under this arrangement an increased contribution may be expected from this branch.

*Wroxeter*, Oct 30th —The meeting was held in the Presbyterian Church, the President, Thos, Gibson, M.P.P., in the chair. Before the agent spoke, short addresses were given by the Rev. Mr. Gray, now supplying the Presbyterian Church, and the Rev. Mr. Gunn, Episcopal, this being the third meeting at which the latter was present and rendered valuable help. This branch will no doubt render a good account of itself during the year.

*Teeswater* Oct 31st.—The evening was a little wet, but this did not prevent quite a goodly number assembling in the Presbyterian Church. The ministers of the three churches in the town were present, and an excellent spirit pervaded the meeting. This branch takes in the whole of the surrounding township and appoints a large staff of collectors, who do their work well, as no blanks occurred last year.

## A. B. CHAMBERS, LL.B.

*Hawkstone*, Dec. 2nd.—Very cold weather and a tea meeting in an adjacent village interfered with our work so seriously as to prevent a formal meeting. Attention was given to the appointment of officers and other necessary business. Mr. Baker was appointed Depositary, and the stock was transferred This is a weak branch, but is worth another year or two of cultivation.

*Minesing*, Dec. 3rd.—Your agent was cordially received in this village of churches, and enjoyed the kind hospitality of Rev. W. C. Washington. At the meeting a good audience manifested marked interest in the work of the Society. The efficiency of the officers of this branch is a guarantee of continued success.

*Elmvale*, Dec. 4th.—The unavoidable absence of the President and some other officers rendered this meeting somewhat unsatisfactory. Rev. Peter Campbell was asked to preside and discharged the duties of the office with ability. The attendance was not large, but those present listened with interest. We think there is reason to anticipate better results from Elmvale.

*Rugby*, Dec. 5th.—Notwithstanding somewhat unfavorable weather there was a good meeting. Rev. Mr. Webster (Presbyterian) delivered an address, after which your agent gave particulars concerning our work, and submitted several reasons why the Society should be sustained.

*Edgar*, Dec. 6th.—The President, Rev. J. W. Goffin, is an energetic officer, and has willing associates. The audience, though not large, was sympathetic, and the outlook is favorable.

*Penetang*, Sabbath, Dec. 8th.—Your agent, by arrangement of the local Committee, preached in the Methodist Church this morning to an intelligent congregation. In the afternoon drove to *Midland* and preached to a very large congregation in the Methodist Church. At both services I made reference to the work of the Upper Canada Bible Society, and extended an invitation to attend the annual meeting. The annual meeting was held on Monday 9th, in the Presbyterian Church. The Society has a good hold on the people of this town The presence of Revs. Hagar, Card and Johnston added much to the interest of the occasion. A very intelligent audience gave your agent a sympathetic hearing and a collection in advance of last year.

*Midland*, Dec. 10th.—This, like Penetang, is a rising town and has for its chief officers a number of men of the right stamp. Our annual meeting was held in the Presbyterian Church. The pastor, Rev. D. James, is the efficient President of this thriving branch. A large congregation gave proof of sincere interest in the circulation of the Holy Scriptures. Rev. Dr. James, father of the President, delivered an effective address, and Rev. J. T. Caldwell (Methodist) gave loyal support to the meeting and brotherly hospitality to your agent. This was a very enjoyable service.

*Waubaushene*, Dec. 11th.—In the judgment of friends of the Society it was considered wise to organize a distinct branch in this place (formerly associated with Coldwater branch), and I arranged accordingly. The night was cold and there were other attractions, but despite these the attendance was encouraging. The origin, breadth and claims of the British and Foreign Bible Society and the work of the Upper Canada Bible Society were presented by your agent, after which, on resolution, Waubaushene was organized. Rev. W. A. Wylie (Presbyterian) was elected President, and a good staff of officers associated with him. I anticipate a prosperous first year for this new branch,

*Coldwater*, Dec. 12th.—This is a living branch. H. T. Lovering, Esq., President, was in his place, supported by Rev. J. H. Sheppard (Church of England) and Rev. P. Jones (Methodist). The work of the collectors and Treasurer had been attended to, and the returns were handed to the agent.

*Huntsville*, Dec 13th.—The President and Secretary of this branch are both venerable men who have for many years taken a deep interest in this work. The annual meeting was held in the Methodist Church. Rev. Joseph E. Wilson, the popular pastor, by his hearty co-operation contributed largely to the success of the meeting. The attendance and interest were gratifying and prophetic of a good year.

*Bracebridge*, Dec. 14th.—On Saturday afternoon I reached this flourishing town and became the guest of Mayor Hunt. On Sabbath morning I occupied the pulpit of the Methodist Church, and in the evening had the pleasure of preaching in the Presbyterian Church. In both places I announced the purpose of my visit to the town and invited all who could to attend the annual meeting to be held on the following evening. Owing, in part, to the interest awakened by the Sabbath services, we had a good audience and an excellent meeting in the Methodist Church. The

Rev. Dr. Clarke (Presbyterian) gave proof of his continued loyalty to the Society. Rev. Mr. Moyle (Baptist) made a short speech and Rev. Mr. Moore (Methodist) made us feel at home in his church. In the unavoidable absence of Sheriff Bettes, Mayor Hunt presided. The collection was larger than usual and a good sum promised by subscription. I enjoyed my visit to Bracebridge very much.

*Gravenhurst*, Dec. 17th.—This was the only discouraging meeting during my tour. The weather was unfavourable, but not sufficiently so to account for the small attendance. The meeting had been well announced in the Presbyterian and Methodist churches, and we were grateful for the presence of Rev. Mr. Burton (Presbyterian) and Rev. Mr. Graham (Methodist). To the few who came out your agent spoke on the aims and claims of the work and received a small collection. The President was not aware that he enjoyed that honor until after I reached the town and declined re-election. None of the other officers were present. The Depository was consumed by fire last January and our stock destroyed, of which, it appears, no notice was sent to the head office. After consultation with the ministers and the President, and finding it impossible to secure new officers, my judgment is that the continuation of this branch will only entail continued loss and, therefore, that it should be cut off. Your agent returns thanks for the valuable assistance rendered by the choirs in several meetings and for the hospitality extended at every appointment.

## REV. CHARLES DUFF.

*Lynden*, Oct. 30th —The annual meeting was held in the Methodist Church. The gathering was small though the evening was fine. The Rev. Mr. Artho, pastor of the Methodist Church, occupied the chair and spoke well in the interests of the Society. The old officers were re-elected and the collectors appointed, and then your agent spoke to them for nearly an hour in the interests of the work of the Bible Societies of the world and our own in particular. I trust a good response will be made through the collectors by this field for the present year.

*Jerseyville*, Oct. 31st.—The attendance was so small that it was thought best to defer the business of the meeting until some future date, not far away, when the Secretary, who was now absent, with a greater number of the people, would be present. The two ministers of the place—the Rev. Mr. Ferguson (Methodist) and the Rev. Mr. Yorston (Baptist)—engaged to secure such a result. In the meantime, with the last named minister in the chair, the agent was called upon to address those who were present. The early part of the night was rainy, and being "Hallowe'en" may have accounted somewhat for the small attendance. We shall look with interest for the result.

*Alberton*, Nov. 1st.—Here the attendance was better than on the former night. I was alone, however, without the presence of a single minister of the Gospel. We met in the Presbyterian Church, and a good deal of interest was manifested in the subject. The Secretary's whole soul is in the work and we look for better results than last year.

My next visit was the town of *Dundas*. Here I spent Sunday, the 3rd of November, and preached in the forenoon in the Presbyterian Church for the Rev. Dr. Laing, and in the evening in the Methodist Church for the Rev. Mr. Wakefield, in both of which places I had a favorable opportunity of saying a good word for the Bible Society. The meeting was held on Tuesday evening, the 5th of November, in the basement of the Methodist Church. The Secretary had moved away, and the President was too aged and infirm to attend. The Revs. Dr. Laing (Presbyterian) and McDonald (Baptist) gave valuable assistance both in the meeting and in committee. Dundas has gone down very much in its business relations, and not the highest hopes were entertained for the financial results for the Society, but a hearty promise was made to do what could be done in the circumstances.

*Copetown.*—The annual meeting of this Branch was held on the evening of Nov. 4th, the Rev. T. L. Wilkinson in the chair, who was also elected President of the Branch for the ensuing year. There was the largest attendance of any of the meetings we had held in the district. Mr. Wilkinson is a warm-hearted friend of the Society and gave your agent valuable assistance.

On Thursday evening, Nov. 28th, the annual meeting of the *Kilbride* Branch of the Society was held in the Methodist Church. Here again I was alone, but the attendance was good and encouraging. The Presbyterian minister was absent on account of sickness and death of relatives at a distance. We felt, however, that all was done that it was possible for your agent by the grace and help of God to do. The officers and people were also kind and appreciative, and I am sure will do their part well.

*Strabane*, Nov. 29th.—A sleet storm came on at early dark and proved very uncomfortable. Notwithstanding, a goodly number assembled in the Presbyterian Church and we had a good meeting. The Rev. Mr.————————, Methodist minister in charge, was present and gave us his warm sympathy and help. Here our conscientious and painstaking Secretary does a good work, and the Society has many warm hearted and intelligent friends.

## REV. J. DYKE, B.D. (N.W.T.)

*Qu'Appelle.*—Your agent visited this town on Monday, October 21st. The day was busily occupied in visiting the officers of the branch, distributing suitable literature and holding a business meeting. A deeply interested audience gathered in the Methodist Church. The Rev. C. W. Bunt (Methodist) and the Rev. Mr. Thompson (Presbyterian) gave valuable help in the meeting. At the close of the agent's address a collection of $4.95 was taken and the necessary officers elected. Your agent is glad to find that there is a deepening interest taken in Bible Society work by the people of this town.

*Indian Head.*—The annual meeting was held in the Presbyterian Church. Though there were several other attractive meetings that same evening, yet a good sized audience assembled. The Rev. Robson occupied the chair and Rev. G. H. McCullogh took part in the meeting. The agent gave an address on the work of the Society. The usual reports were presented, the officers elected, collectors appointed, and a very enjoyable meeting closed with the benediction by the President.

*Wolsely.*—The Presbyterian Church was thronged with a most attentive audience. The President, Mr. A. B. Bompas, filled the chair with much acceptance. Revs. Burrow and Campbell took an active part, giving great assistance to the agent. The united choirs of the town rendered great service to the meeting. The collection amounted to $6.50.

*Grenfell.*—The citizens at this place greeted the agent with a good audience in the Methodist Church. The Baptist, Presbyterian and Methodist clergy took part in the meeting, which was marked by deep earnestness and sincere effort to do what could be done in this great work.

*Broadview* is one of the very few towns in the West where the population dwindles in numbers instead of increasing, and yet it is an important point, being a divisional terminus of the railway and having fairly good farming land round it. The population in the town and vicinity is small and religious interests are feeble, yet your agent, assisted by the Revs. C. E. Endicott (Methodist) and G. A. Laird Presbyterian), secured a fairly good attendance and a profitable meeting.

*Whitewood.*—The Revs. J. Muirhead and C. Lawford rendered the agent good assistance at this place. The meeting was marked by much spiritual fervor. A new set of officers, with the exception of the Depositary. was appointed, and plans made for the collectors to canvass the outlying country districts, a plan which your agent has urged at all the stations.

*Elkhorn.*—Dr. Rolston, the zealous President of this branch, assisted by all the resident clergy, with the agent, secured a good meeting in St Mark's Church. The rector, Rev. F. A. S. Mercer, also Revs. Dyer and Fortune, gave addresses. The meeting was spirited and vigorous, and yet there was a tone of regret that funds were likely to be small owing to the low price of wheat and the serious damage the crops received from frosts.

*Alexander.*—Your agent regretted to learn that the collectors appointed at the last annual meeting, owing to the severity of the weather, failed to canvass for subscriptions last autumn, and also that a disastrous fire in the Depository destroyed the entire stock; value $25. The Rev. Wm. Robertson (Episcopal) and Rev. Mr. McDermott (Presbyterian) gave good assistance in the meeting. The agent strongly urged the largest liberality on the part of the audience.

*Griswold.*—A fairly good audience assembled in the Baptist Church. Mr. D. Buchanan, the President, took charge of the service, and the agent was ably assisted by the Revs. Robertson and Lawson. A deeply interesting meeting was held, and while the collection was smaller than last year, the amount collected by the ladies was several dollars larger.

*Oak Lake.*—The singing at this meeting was led by a union choir from the Episcopalian, Presbyterian, Methodist and Baptist churches, and was most excellent in its character. The President, Mr. Thomas Wright, occupied the chair, and the agent found valuable assistance from the Revs. Hodges and Millicken. Notwithstanding the roads were almost impassable from a recent snowstorm, the attendance was good and interest very deep.

*Virden.*—Great preparations were made for this meeting by posting bills, local notices in the press and announcements from the pulpit, yet owing to a number of other meetings the audience was small. The Rev. W. Beattie presided, and the Rev. T. A. August assisted in the programme. The agent strongly urged the claims of the Society upon the people.

*St. David's.*—This Presbyterian Church is about eight miles north of Oak Lake, and is in the centre of two other settlements. In former years these friends have contributed to the Bible Society and their amounts have been classed under Oak Lake. Very earnest requests have been made for a visit from the agent, and a date was fixed the night previous to the meeting at Oak Lake. But a severe snowstorm prevented the agent from reaching here; thus making a special trip necessary on Monday, November 11. At the close of a very interesting meeting a collection of $5.15 was taken and $3 in cash paid on subscription list. Collectors were appointed to canvass the three settlements and officers for this new branch elected.

*Moosomin.*—Held its annual meeting in the Baptist Church. Mr. O. Neff, the President, in the chair. The local singers from the choirs in the town rendered good service. Mr. A. H. Smith, Principal of the High School, and the Rev. J. Vansickle, of the Baptist Church, gave valuable assistance to the agent. The audience was very attentive and deeply interested in the meeting.

## REV. S. C. EDMUNDS, B.D.

*Waldemar.*—Meeting in Presbyterian Church on Nov. 25th, President of Branch in the chair; not many present, but some expressed the determination to increase their contributions.

*Grand Valley.*—Meeting in Disciple Church on Nov. 26th; a goodly number present. Revs. Lounds and Stafford (Methodist), Crozier (Presbyterian), Finch (Disciple), and Fletcher (Episcopalian) were present and spoke favourably of the Society's work. Rev. Mr. Fletcher referred to the value of the Bible in missionary work. This Branch is prosperous and the prospects for the coming year are good.

*Arthur.*—Meeting in Presbyterian Church, Rev. Mr. Thom, President, in the chair; the night pleasant, but not many out. There seems to be determination here to do all that can be done for the Bible Society.

*Mt. Forest.*—Meeting in Methodist Church ; Rev. Geo. Richardson (Methodist) present. made very profitable remarks ; the President, J H. Brethour, in the chair. The officers are determined to have the collections more thorough and give the work the attention it deserves. Depository in very fine condition.

*Holstein.*—Meeting in Presbyterian Church. Rev. Mr. Isaac (Methodist) gave a short address, which indicated earnestness in the work. This Branch has suffered somewhat by the removal of the former Treasurer and Depositary. I hope the Commtitee will push the work more vigorously in the time to come.

*Clifford.*—Meeting in Methodist Church ; Rev. S. Young (Presbyterian) in the chair. Rev. W. H. Harvey, B.A. (Methodist), made some remarks showing a hearty interest in the Society. The officers take interest in the Branch and I expect good results this year.

*Cedarville.*—The meeting was held in Presbyterian Church. Rev. Mr. Morrison (Presbyterian), a true friend to the Society, was present ; also Mr. Buchanan (Presbyterian student), who gave an earnest address ; also Rev. Geo. Henry, B.A., B.D. (Methodist). A good company were present and the meeting was profitable and enjoyable.

## REV. J. G. FALLIS, PH.B.

*Bayfield*, Dec. 9th.—This branch is doing well. The meeting was held in the Presbyterian Church. Rev. Mr. Graham, pastor, and also Rev. Mr. Outen, both were present and spoke. Your agent presented the aim and object of the Bible Society.

*Blake.*—Meeting held in the Presbyterian Church, had a good turn out. All the officers were present, except the President who was ill. This branch is all alive.

*Varna.*—Meeting held in the Methodist Church. There were present Rev. Mr. McDonald and Rev. Mr. Lietch ; both spoke kind words for the Society. The attendance was very fair. Officers all elected and seemed determined to do good work.

*Kippen.*—Meeting held in the Presbyterian Church. A special meeting was going on in the church. We commenced our meeting at seven o'clock. The pastor, Rev. Mr. Achison, and also the Evangelist, Rev. Mr. Mitchell, took part. All the former officers were elected.

*Holmesville.*—We had an enthusiastic meeting in the Methodist Church. Rev. Mr. Andrews, B.A., occupied the chair. Your agent spoke at some length. A good report will be forthcoming from this branch.

*Auburn.*—Meeting held in the Methodist Church, which was nearly full of earnest people. Rev. Mr. Barigh and Rev. Mr. Henderson were present, both good friends of the Society. Auburn always does well.

*Blyth.*—Meeting held in the Methodist Church. Not so large a turn out there on account of other meetings. Rev. Mr. Buggin occupied the chair. An excellent feeling pervaded the meeting. The officers and collectors were elected. The branch is in a healthy condition.

*Nile.*—Meeting held in the Methodist Church. Rev. Mr. Pring occupied the chair. All the officers were present and alive to the interests of the Bible Society. Old officers re-elected ; good collectors appointed ; and all seems bright for the future of this branch.

*Dungannon.*—Meeting held in the Presbyterian Church. We had a fair attendance. The local ministers were all present. The meeting was what I would call a success. The officers and collectors were duly elected. This branch will give a good account of itself.

*Seafotrh*, Jan. 27th.—The meeting was held in the Methodist Church, Rev. S. Bond in the chair. The attendance was very good, and a good spirit prevailed. Dr. McDonald, of the Presbyterian Church, was present and gave a short, but pointed speech. This branch has always done well.

*Constance*, Jan. 28th.—The meeting was successful, it was held in the Methodist Church. Rev. Mr. Musgrave and Rev. Mr. Millson gave short addresses. Then your agent spoke of the work of the Bible Society. Officers and collectors were duly appointed.

*Egmondville*, Jan. 29th.—The meeting was held in Presbyterian Church, Rev. N. Show, the pastor, in the chair. The meeting was not so largely attended, by reason of another meeting near by. Collectors will do their work well. This branch is all alive.

## REV. J. FARQUHARSON (*Manitoba*).

*Boissevain.*—The annual meeting of the Boissevain Branch Bible Society was held in the Methodist Church, on the evening of Monday, Nov. 4th. In the absence of the President, the Rev. Peter Fisher was appointed chairman, and he opened the meeting. After a short address, in which he expressed regret at the smallness of the meeting and his deep interest in Bible Society work, he called on your agent who gave a short account of the work of the Bible Society. Officers for the ensuing year were elected, and collectors appointed to canvass the town and neighbourhood for subscriptions for the funds of the Bible Society.

*Cartwright.*—The meeting was appointed to be held on Tuesday, Nov. 5th, but the evening turned out to be so stormy that only two came to the meeting. It was arranged that, if possible, another meeting be held about the second week of January.

*Deloraine.*—The meeting was held on the evening of Wednesday, Nov. 6th. On account of bad roads the audience was very small. The President, Rev. D. Munro, took the chair, and after the usual opening exercises, addressed the meeting on the need there is for the general circulation of God's Word. Your agent also spoke on the work of the Bible Society. It was agreed to request all the resident ministers to explain to their people the aims of the Bible Society and the nature of its work; to request their people to receive the collectors kindly, and to contribute liberally to the funds of the Society. Officers for the ensuing year were elected and collectors appointed.

*Crystal City.*—The meeting was held in the Presbyterian Church, on Nov. 7th. Rev. J. A. Bowman, took the chair and opened the meeting. In the absence of the Secretary, on account of sickness, Dr. Riddle was appointed Secretary *pro tem.* Addresses were given on the work of the Society by the chairman, the Rev. Mr. Stacey, and your agent. Officers for the ensuing year were elected and collectors appointed. The attendance was fair.

*Killarney.*—The meeting was held on Nov. 8th. The attendance was fairly good. The President, Mr. Bates, took the chair, and after the opening exercises gave a short address, in which he expressed his deep interest in the work of the Bible Society. The Rev. Mr. Toesland spoke of the almost entire dependence of Missionary Societies upon the British and Foreign Bible Society, for the Bible in the different languages of those among whom they labour; and the Rev. Mr. O'Mera followed in the same strain, giving, as an example, the case of Indians on the Manitoulin Island, Ontario, for whom the Bible Society had issued a version of part of the Bible. Mr. Strang, Presbyterian missionary, and your agent, also addressed the meeting. Officers for the ensuing year were elected and collectors appointed.

*Gretna.*—The meeting was held on Sabbath, Nov. 17th. All the congregations of the town having given up their ordinary service that there might be a mass meeting in the interests of the Bible Society, the attendance was large. Mr. Hartley, Presbyterian missionary, was called to the chair and opened the meeting. Gretna being largely a Mennonite town, German is heard almost as frequently on its streets as English. If it is to be judged by the sales of Bibles at your Depository there, it also stands out pre-eminently as a Bible-loving town; for Bibles, mostly German, to the value of $117.58 were sold there during the last year. Your agent

addressed the meeting on the work of the British and Foreign Bible Society, and Prof. H. H. Ewart, of the Gretna German School, gave a synopsis of the address in German. Officers for the ensuing year were elected and collectors appointed.

*Emerson.*—The meeting was held in the lecture room of the English Church, on Nov. 18th. The attendance was small. The President, the Rev. Mr. MacHaffie, after opening the meeting, gave a short address, and then called upon your agent who also spoke. Officers for the ensuing year were elected and collectors appointed.

*Morris.*—The meeting was held in the Methodist Church, on Nov. 19th. The attendance was fair. The Rev. Mr. Wilson was called to the chair. Addresses on various phases of Bible Society work were delivered by the chairman, Rev. B. Innes, and your agent. Officers for the ensuing year were elected and collectors appointed.

*Morden.*—The meeting was held in the Baptist Church, on Nov. 26. The President, Rev. W. Clarke, opened the meeting, and shortly addressed it on the work of the Bible Society. Rev. Mr. Rumball, from the command given to Joshua to meditate day and night on God's word taken along with Paul's question, "How shall they believe unless they hear ?" drew an argument in behalf of the Bible Society's work in spreading the Scriptures, and an exhortation to us to help in that work. Rev. Mr. Whidden said that in one respect the Bible Society is the greatest educational and the greatest evangelistic force in the world. The Rev. Messrs. Borthwick and Wilson expressed themselves as thoroughly in sympathy with the work of the Society, and as glad to hear of its success. Your agent also addressed the meeting. Officers were elected and collectors appointed.

*Manitou.*—The meeting was held in the Methodist Church, on the evening of Sabbath, Dec. 1st. The Methodist and Presbyterian congregations gave up their ordinary evening services in the interest of the Bible Society meeting, and as a result the large church was filled. The President, the Rev. Mr. Spence, took the chair, and, after opening the meeting, spoke of the Bible Society as affording the various denominations a common platform, and thus becoming a bond of union between them. The Rev. Mr. Caven and your agent also addressed the meeting. Officers for the ensuing year were elected; and these met immediately after the close of the public meeting, and appointed collectors to canvass the town and surrounding country for subscriptions for the funds of the Society.

## REV. J. B. FRASER, M.D.

*Horning's Mills.*—Began my tour here with first good moonlight in the end of October. Notwithstanding a blizzard of wind and snow there was a fairly good meeting in the Presbyterian Church. The local clergy were all "unavoidably absent," but the business was in good shape and was expeditiously disposed of. This Branch is thriving and is likely to grow.

*Whitfield.*—Next evening was fine, but the roads were bad—enough snow to spoil the walking and wheeling, but not enough for sleighing. A rather small meeting in the Presbyterian Church near one side of the field. None of the local ministers able to be present. President and Secretary both efficient and interested, promise that collecting will be done in good time. May look for larger returns, although the drought of last summer will be likely to affect unfavorably the contributions from country branches for this year. Enjoyed the hospitality of the President, Mr. Laking, who drove me next day to—

*Mansfield*, where we had a very good meeting in the Presbyterian Church, the minister of which, Rev. R. Hughes, presided. He is an enthusiastic friend of the Society and will do all he can to make this Branch a success. Rev. Mr. Lynch (Episcopalian) was also present and spoke a few earnest words on behalf of the cause. The attendance was five times larger than at last year's meeting, and all

seemed to be really interested. The territory of the Branch is rather small, but arrangements were made to have it well worked, and larger returns may be looked for.

*Mono Centre.*—Evening dark and wet; attendance small; interest seemingly good. Meeting in Presbyterian Church, which is without a pastor. No resident minister of any denomination near; even the President of the Branch absent without excuse or explanation. The Secretary interested and efficient, and promises to see that collectors do their work in good time.

*Camilla.*—A fairly good meeting in the Presbyterian Church; business well in hand; officers efficient; outlook hopeful; depository, in good hands, has made a promising beginning. Secretary promises to see that the collectors do their work in good season and hopes for large returns.

*Dundalk.*—Snowstorm and cold thinned the attendance; those there apparently deeply interested. The President-elect for next year, Rev. E. A. Harrison, B.A., in the absence of Dr. Campbell, the President, discharged his duties most efficiently. Officers of the Branch capable and faithful, and business in good shape; arrangements made for more thorough canvass for contributions this year.

*Corbetton.*—Very cold, unpleasant winter evening. Anniversary tea-meeting in Methodist Church the evening before said to have kept many away; about fifty present. Both pastors of the place commended the work in brief addresses, and promised to interest their congregations in the good cause. Arrangements made for collecting from a wider field.

*Shelburne.*—The meeting which was held in the Church of the United Brethren was disappointingly small. It unfortunately fell on one of the two evenings of the week on which all the stores of the village are open and everyone busy. The local ministers were present. The business was disposed of expeditiously, and the address and appeal of the agent listened to most attentively. The collections for the Society are to be taken up in all the churches a week from next Sabbath, the local ministers promising to urge liberality.

*Orangeville.*—Fair evening and a fair meeting in Presbyterian Church. Officers interested and efficient. Local ministers present and friendly to the cause, with the exception of the Episcopal clergyman. The Depository carries a large stock and the sales equal the aggregate of all the other branches in the district.

*Alton.*—Said to be the best meeting of this Branch for many years. Local ministers all present except one who was "unavoidably absent," and sent excuse. Officers active and capable. Business well-managed. Stock at Depository and sales small, perhaps owing to proximity to Orangeville. Larger contributions may be looked for, if promises of friends are remembered and fulfilled.

## REV. J. FRAZER.

*Unionville.*—The meeting here was thinly attended. In place of the President who was necessarily absent, the Rev. P. Nichol presided, and in a few well-chosen remarks introduced the agent. Though the meeting was small it is hoped the work will be honoured as last year; still if the Christian people of the locality would but lend a hand at the annual meeting, more could be hoped for.

*Mount Albert.*—Both resident ministers were away from home. The meeting had to be adjourned on account of a severe storm, so but a handful of the faithful greeted your agent at this point. This field responded well in years past, but in these days interest seems to have died out. Another effort will be made by those present to call the attention of the public to the fact that the world still needs the Word.

*Keswick.*—A better meeting than last year and a more earnest spirit manifested. Here are two congregations containing earnest-hearted men and women who have evidenced their love for the Master in their Sunday school work and when

the injunction "Feed My lambs" is obeyed, the Word of God as a needed power in the world is seen, sooner or later, to be recognized. A subscription was started to aid the collectors and new officers appointed.

*Beaverton.*—The venerable Rev. David Watson, D.D., for so many years President of this branch, presided, and was assisted in the services by Rev. M. Harris, Methodist, and Rev. Mr. Bethune, Knox Presbyterian. Mr. D Cameron, the Secretary, presented his usual valuable report, giving a comprehensive *rèsume* of the work for the year which was fully up to the mark of former years

*Sutton.*—Meeting held as usual on Thanksgiving day with Union Services at which your agent preached. Owing to some oversight, the collectors were not sent around last year. The Executive will be more careful of this matter in future, as they feel the necessity of honouring this great work and the blessedness of having part in spreading the blessed tidings of Salvation to all the world.

*Zephyr.*—A fair meeting in the Presbyterian Church. This branch promises to respond to the work as it has done since its organization. There is no resident minister yet. The President and Secretary and those associated with them will do what they can to advance the cause.

*Sunderland.*—Your agent preached in the Presbyterian Church on the Sabbath evening and met with the officers on Monday when it was agreed that the resident ministers would annually present the claims of the Society and on Thanksgiving day hold Union Services with special collection in its behalf.

*Mara.*—A good meeting in the Presbyterian Church at Gamebridge. Your agent's address was attentively listened to and the young lady collectors entered heartily upon the work assigned them. This branch always responds and will not fail this year, though, owing to the political agitation in the fall, the annual meeting was not held until near the end of the Bible Society year.

*Eldon.*—This branch always gives your agent a hearty welcome and the Manse of the Presbyterian Church is a pleasant place to visit. The Rev. D. D. McDonald presided at the meeting and set the machinery in motion for the season's work. Here also the meeting was held very close to the end of the year, but the returns will no doubt be in in time before the books are closed.

## REV. W. JOHN GARTON (*Manitoba*).

My opening meeting was held at *Wawanesa.* It was called for 7 o'clock p m. This was early on account of evangelistic services being held in the Presbyterian Church. As last year, we held our meeting in the Methodist Church. Mr. Hector being away on business, the Rev. A. Gordon took his place as President. The Secretary, Mr. J. M. Read, read his report. The agent's address was on the Society's endeavor to supply the spiritual needs of the world. At the close of the meeting, we all adjourned to the Presbyterian Church. On the morrow the depository was visited, and the stock of Bibles was taken. The sales during the year were very small.

*Miami* —We had a very nice gathering in the Presbyterian Church. Rev. T. M. Talbot, President, conducted the meeting. After the usual religious exercises, the President and Rev. J. Baikie ably addressed those present. All listened with marked attention to what the agent had to say. Amongst other things he said, the following was much appreciated: "Our very catholicity shows our fervent desire to fulfil God's will. We have no pet theories, but one aim, and that is the spread of God's Word. We have no pet Church to foster, we recognize the one Church of the faithful in Jesus Christ, in which the pure Word of God is preached." Mr. Alex. Tumoth was elected President for the ensuing year, and Mr. Mark Westaway is the new Depositary. Miami retains its old Secretary-Treasurer.

*Baldur.*—Meeting in the Methodist Church. Before going to the Church, the depository was visited, and stock was taken while the agent was there. The sales amount-

ed to $9.35. A very good stock is kept here. It looked as if at one time we were going to have no meeting, but eventually one came, and another came, till at last we mustered a goodly number. The President, Mr. J. Smith, introduced the agent, who gave his address. The Rev. J. H. L. Joslyn spoke in favor of the Society, and forced home the agent's message. All the old officers were re-elected. It was decided that the executive should meet on the following Wednesday for the purpose of appointing collectors.

*Roland.*—It seems hard to enthuse the good people of Roland to take an interest in the noble work of the Bible Society, but it is hoped that the time is not far distant when a change "will come o'er the scene." The meeting was held in the Methodist Church. The President was again absent this year. Rev C Teeter took charge. Mr. W. H Nesbitt was elected the new President, and it is sincerely hoped that he will stir up the dry bones, and that a spirit of enthusiasm will take possession of the Rolandites for our noble Society. Collectors were appointed for four places, viz.: Roland, Pomeroy, Myrtle and Bethel. The stock of Bibles needs replenishing.

*Brandon.*—The meeting was held in the Presbyterian Church Lecture Room. Very full and careful arrangements had been made by the executive, yet the meeting was not so large as it might have been, but there was that interest shown by the officers which cheers the agent's heart. Mr. James Sherriff was in his place, occupying the chair. The Rev. E. A. Henry conducted the devotional exercises. Addresses were given by Mr. George Coleman, Rev. G. M. Lehigh and the agent. Mr. Coleman spoke of the intrinsic worth of the Bible, and its power to forge its way. Mr. Lehigh expressed his joy in speaking on behalf of the Bible Society, and set forth its value very impressively. It being only about six months since the last meeting was held, no reports were presented. In future it is proposed to hold the annual meeting in October, as the meeting was held this year. All the old officers were re-elected.

*Douglas.*—The best meeting of the whole series was held at *Douglas*, in the Presbyterian Church. The Churches were represented by the Rev. Messrs. Tufts and Robertson, both spoke very ably and enthusiastically of the work of the Society. The latter spoke of what he had seen of its work in Australia. The retiring President suggested that not only should a collection be taken up, but promises also received, which was done, the whole amounted to $18.70. Mr. H. W. Speers was elected President. Collectors were also appointed.

*Carberry* has been very unfortunate in its Presidents, but at last it has got one, I think will stay with it, viz.: the Rev. D. Carswell. The meeting was held in the Methodist Church, the pastor in the chair. The Rev. J. W. Saunby, who has been a missionary, spoke warmly on behalf of the Society. The new officers are Rev. D. Carswell, President, and Mr. R. Fairley, Treasurer. It is sincerely hoped the Treasurer will have plenty to do this year. The agent took stock with the depositary.

*McGregor.*—The meeting was held once again in the Presbyterian Church. Mr. Smith, in the absence of the President, took charge of the meeting, and so ably discharged his duties that the meeting eventually elected him President for the ensuing year. The Rev. W. A. Lewis expressed his desire to see more interest taken in the work by the branch officers and collectors. The Rev. W. L. Cheney also spoke very earnestly. McGregor ought to become a stronghold of the Bible Society.

*Portage-la-Prairie.*—The meeting was held in the Disciples Church, Rev. J. Munro, pastor. Rev. W, Halsted, with his usual ability, occupied the chair. Rev. S. Macmorine (Episcopalian), would have been present, but he was laid aside by an accident he had met with a few days before. After the devotional exercises the Secretary and Treasurer read their reports. The President spoke very impressively of the work of the Society, and after the agent's address, Rev. Peter Wright stirred us up by some eloquent thoughts and suggestions. The attendance at the meeting was a decided improvement on last year.

*Stonewall.*—Quite a large meeting. Addresses were delivered by the President and Revs. Darwin, Marnie, Dransfield and Nie. Interest in the Bible Society is growing at Stonewall. The depositary has increased the sale of Bibles and expressed a wish to still increase. And it is quite expected that the peoples' contribution will this year be the largest ever sent to the Society at Toronto.

## REV. DR. GERMAN.

*Richmond Hill.*—The meeting was held in the Methodist Church on Nov. 19th, 1895. The Rev. J. Vickery, the President, presided, and the Rev. G. Powell was present and took part in the exercises. All business matters had been previously arranged by the Executive, including the appointing of collectors for outlying districts.

*Thornhill.*—A large and enthusiastic audience greeted your agent on Nov. 26th, 1895, in the Methodist Church. Thos. Parker, Esq., presided, and Rev. James Grant (Presbyterian) and Rev. John Morgan (Methodist) gave short, appropriate and stimulating addresses. A union choir furnished excellent music, the business was in first-class shape, and, on the whole, this came the nearest to being a model meeting of any your agent has attended.

*Downsview.*—On Dec. 5th, 1895, the annual meeting was held in this place. The attendance was good. During the year the collecting had been omitted, and was made just before the meeting. It was unanimously agreed to make another canvass in the spring, and next year fall into line and make the collection immediately after the public meeting.

*Eglinton.*—A fair audience assembled in the Baptist Church on Feb. 19th, 1896, many being hindered from coming by the prevailing storm. In the regretted absence of J. R. Miller, the President, through illness, the Rev. Mr. Kirkpatrick, pastor of the church, presided. Davisville has been added to the Eglinton branch, and the Rev. Jas. Pearen, B.A. (Methodist), was present and gave a stirring address. There is a good prospect of a substantial advancement in the income from this branch.

*Aurora.*—On the 20th of Feb., 1896, your agent visited this branch. He had the hearty co-operation of Revs. Dunlop, Amos, Weaver and Scott. The audience room of the Baptist Church was opened for our meeting and the results were very encouraging.

*Toronto Junction.*—No meeting was held in this place last year, and, therefore, on Feb. 21st we virtually re-organized the branch. The local pastors, some prominent laymen, and a goodly number of Christian women, lent their aid in putting the organization upon a solid and, I trust, permanent basis. A lady was elected Secretary, and three ladies were placed on the Executive. This, I think is a step in the right direction, for I believe our success would be greater if we would use more fully woman's zeal and faith. The organization at the Junction will, I am satisfied, give a creditable showing at the next annual meeting.

## REV. W. G. HANNA, B.A.

*Hope.*—The annual meeting was held in the Methodist Church at *Welcome.* Attendance good. The chair was occupied by the pastor, Rev. Jas. Thom, in the absence of the President. Collectors were appointed. A good interest is sustained in this branch.

*Garden Hill.*—A fair meeting, held in the Presbyterian Church, addressed by Rev. Mr. Johnston and the agent. Collectors were appointed and arrangements made for a canvass of the district in the interests of the Society.

*Kendall.*—A large meeting in the Presbyterian Church. Addresses by the agent and Rev. W. Downs, of the Methodist Church. Good interest shown in the work.

*Orono.*—Meeting held in the Methodist Church. Attendance fair. Meeting addressed by the Rev. Mr. Real, Rev. Dr. Moment, late of Brooklyn, and the agent. It was resolved to revive the work here this year.

*Hampton.*—A good attendance at the meeting in the Methodist Church gave promise of increased interest here. Meeting addressed by Rev. Mr. Howard and the agent. Collectors appointed and arrangements made to canvass early in the interest of the Society.

*Enniskillen.*—Meeting held in the Methodist Church. Attendance small. Dr. Mitchell occupied the chair. Addresses by the pastor of the church and the agent. An attempt was made to resuscitate the branch at *Tyrone*, but the people there were not disposed to move in the matter. Collectors were appointed for this district, as well as Enniskillen, so as to give any who might feel disposed an opportunity to co-operate with the Society.

*Cartwright.*—Meeting held in the Presbyterian Church. Attendance large. Addresses by the pastor, Rev. Mr. Phalen, and the agent. There is a good interest at this branch and many features of encouragement for the future.

*Bowmanville.*—A large meeting was held in the Presbyterian Church. The agent met with the hearty co operation of the resident ministers, Rev. Mr. Fraser, Rev. Mr. Parker and Rev. Mr. Burroughs, who were present at the meeting. New officers and collectors were appointed. There is reason to expect that this branch will make decided advance this year.

*West Darlington.*—Meeting held in the Methodist Church. Addres ed by Rev. Dr. Marvin and the agent. Collectors were appointed and a canvass of the community organized.

The agent is deeply grateful for the uniform kindness and courtesy shown him, both in entertainment and conveyance, and would take occasion to thank the kind friends who so cheerfully assisted him in carrying on the work.

## REV. E. HOOPER, M.D.

*Dunbarton.*—This branch has a good record. The meeting, on evening of Oct. 28th, was presided over by the late Mr. Peter Nisbet, who was then appointed President. Only this morning by the papers I learn of the death of this good man, who kindly entertained me on my visit to the branch. A good committee was appointed to push on the affairs of the Society.

*Highland Creek* was visited Oct. 29th and meeting held in Presbyterian Church, with the Rev. Mr. Chisholm in the chair. The young officers of the branch here did their work and had a good report to give.

*Greenbank.*—Nov. 25th proved a stormy day. The meeting was bright, however. We missed the presence of Rev. Mr. Cameron, who, however, had done well in preparing his people for the meeting. Rev. R. H. Leitch gave generous and hearty support to the work. The President, Mr. Miller, and old officers were re-elected. The Secretary, Mr. P. E. Cragg, is not likely to neglect this branch of Christian work, which for years he has faithfully attended to.

*Prince Albert* was visited Nov. 26th.—The meeting in the Methodist Church was not large, the usual work was done in appointing officers and collectors. The venerable Secretary, Rev. S. C. Philp, was able to be present and helped materially to advance the interests of the great work.

*Whitby.*—The annual meeting was held in the Presbyterian Church on the evening of Nov. 28th. The attendance was good and all the more to be so regarded as the Methodist minister and congregation were engaged in special services at same time. The Secretary of this branch, Ross Johnston, Esq. (whose name is on the honor list of office-bearers of branches), presented a report and order of business such as would ensure success and interest in any well-attended meeting. The President, J. D. Howden, Esq., was in the chair and was ably supported by

Rev. Mr. Abraham and influencial citizens who spoke in the interests of the Society. This branch is in good hands.

*Pickering*, Feb. 11.—Very cold evening and few present, the Rev. A. Mcaulay, President, in chair. The Secretary, R. Bunting, Esq., managed the business part well. This branch will be well sustained.

*Brougham.*—The meeting was held at the Methodist Church. Though quite stormy, the faithful few met and did business. The Presbyterian and Methodist ministers were present and spoke in behalf of the Bible Society work. The Secretary, Mr. S. H. Stevenson, read the report. Officers and collectors were re appointed.

*Greenwood and Kinsale*, Feb. 13th.—The agent was present at this branch, but the storm of the season raged and no meeting was held. The officers of former years will attend to the appointment of collectors.

*Ashburn.*—A meeting was held on the appointed evening in the Presbyterian Church. Officers were elected and a promise of an honest effort to sustain this branch taken as the expression of the meeting.

## REV. J. G. MANLY.

Good meeting at *Glenallan*, preceded by Sabbath service in Presbyterian and Methodist Church.

Tuesday at *Hollin*, preceded by an afternoon Sabbath sermon, in Presbyterian Church, with indication of advance.

Excellent meeting at *Moorefield*, heartily helped by two ministers; and at *Rothsay* next day.

At *Cotswold* (after Sabbath sermon, both there and at *Rothsay*), the *Teviotdale* anniversary was held, appointing collectors, and changing the name to *Cotswold*.

*Drayton.*—Meeting in Presbyterian Church, after two Sabbath sermons; thoroughly reorganizing.

*Mimosa.*—Good meeting in Disciples' Church; and *Garafraxa* in Belwood Congregational Church.

Good gatherings, like last year, at *Bloomingdale*, as desired both Sunday and Monday; and also at *Winterbourne* and *Hawksville*..

Best meeting I have seen in several years at *Linwood*. Stock well kept and selling fairly.

Two ministers heartily helping and people well attending at *Breslau*.

*Mansewood* growing and well attending, for both churches.

At *Marsville*, about equi-distant (7 miles) from Garafaxa, Hillsburg and Mimosa, a new society formed, under presidency of Rev. J. J. Elliott, with co operation of Rev. W. J. Brandon. Good attendance, though in darkness and rain. Four churches represented in committee.

Capital meeting at *Erin*, representing the five churches.

For *Cheltenham*, three Sabbath services, in Presbyterian and Baptist Churches, with 14 miles of driving within the bounds. Excellent annual meeting; aspects all good.

Visitation of *New Hamburg* espcially interesting and satisfactory. Largest Sunday evening congregation for several years, in Methodist Church. Largest annual meeting, with largest collection, in several years, though with rain and slush. Both resident ministers helping, and long-time President well and wisely conducting.

A well attended and satisfactory meeting at *Shakespeare*, under genial presidency of resident minister.

So also in *Millbank* village Church, under long-time faithful President.

Good meeting at *Fallarton*, in the Methodist Church, with the pastor as cordial helper, though post-office communication had some how failed.

Two sermons in the *Elimville and Thames Road* branch, and one at Kirkton. Monday meeting fairly attended at Elimville, though affected by special gathering at Exeter.

Three sermons and Monday meeting in *Derry West* branch: Trinity, Britannia and Palestine.

Sermons in *Cooksville* branch, at Sheridan, Carman and Port Credit, and anniversary next evening at Cooksville.

## REV. W. A. J. MARTIN.

*Drumbo.*—Opened the series of meetings in this district at Drumbo on the evening of October 28th. The attendance was good and the interest marked. The local ministers are all interested.

*Princeton*, Oct. 29th.—Your agent held a most encouraging meeting in the Presbyterian Church. All the local clergy were present, as well as Rev. Mr. Leslie, of Goble's, and Rev. Mr. Shearer, of Drumbo. There is evidently a desire to reach out to unoccupied territory about Princeton.

*Washington*, Oct. 30th.—The meeting was held in the Methodist Church, with but meagre results, if attendance is any test. The minister in charge undertook to give his congregation a Bible Society address on the Sabbath following your agent's visit, a thing which many ministers might do with profit to the work.

*Plattsville*, Oct. 31st.—Here your agent found only a small handful of people assembled, but held an interesting meeting which every person present seemed to enjoy.

*St. George*, Nov. 1st.—A goodly number met in the Baptist Church, attended to the business of the branch for the year, and listened most attentively to what your agent had to say. Rev. D. M. Mihell takes the place of Rev. W. S. McTavish as President.

*Burford*, Nov. 4th.—Here is one of the best organized and best worked branches your agent has ever seen. Besides the central meeting, at which an agent is present, there are four or five meetings in different parts of the district, addressed by the local ministers, each year. The result is a live branch with people much interested. Other branches might take a leaf out of Burford's book.

*Scotland*, Nov. 5th.—Here your agent met with one of the fathers of Bible Society work, Rev. Mr. Hay, a retired minister of the Congregational Church. The deep interest always taken by Mr. Hay and by his successor, Rev. Mr. Unsworth, ensured a good meeting, and it was truly a pleasure to tell them of the work.

*New Durham*, Nov. 6th.—Here your agent found the Methodist Church had been having special evangelistic meetings which had resulted in a deep spiritual awakening. The church was full, and all seemed deeply interested. Rev. Mr. Ockley, the pastor, gave great assistance.

*Mount Pleasant*, Nov. 7th.—The weather was the very reverse of pleasant here and the result was that only the Secretary and the Treasurer of the branch turned out along with the caretaker of the Presbyterian Church. On advice of those present no meeting was held. The local officers undertook to arrange for a meeting about the same time as Brantford, and to secure a speaker from that city.

Your agent would thank the officers of all the local branches for their uniform courtesy and readiness to help in every way; also the ministerial brethren, who did so much in each place to make the meeting interesting and profitable.

## REV. A. C. MILES, B.A.

*Beeton*, Oct. 28th.—The night was somewhat cold and stormy, and perhaps this had something to do with the poor attendance. The Branch is well officered and contributions liberal. The business was promptly transacted, old officers re-elected,

and willing collectors appointed; then came helpful addresses from the Methodist and Anglican ministers, Revs. Ferguson and White, followed by your agent. The depository was visited the following morning and a well-assorted stock found on hand.

*Thornton*, Oct. 29th.—A fairly attended meeting held in Methodist Church, Mr. T. W. Lennox, Reeve of Essa, in the chair; aid rendered by Methodist and Church of England ministers. Though a small branch, the interest here is alive and spiritual. An effort is to be made this year to extend the territory. Old officers re-elected, except President, who modestly declined, and the Rev. W. G. Dreyer was chosen in his stead.

*Bradford*, Oct. 30th.—The annual meeting here, held by rotation in the Methodist Church, was attended by an audience composed mostly of adult people; they, too, representing the highest element in all the churches of the town. It was an inspiration to your agent to be privileged to address such a gathering. All the ministers were present and took an active interest. An able and helpful address was also given by Mr. McLean, a master in the Collegiate Institute. This is an old Branch, dating back to the "early fifties." The office of Treasurer has been held by the Messrs. Driffil, father and son, during all this time, and it was interesting to read the early account book, when the method of currency in vogue was the old *£ s. d.*

*Bondhead*, Oct. 31st.—Owing to rain, the attendance was so small that those present, with Mr. Thos. Cross in the chair, decided to postpone the business (important this year) and have a later meeting, with local and neighbouring speakers. At the request of the meeting, however, your agent gave an address on the work of the Society, as willing to speak to fifteen as to fifty. The adjourned meeting was held on Nov. 30th, and was well attended. Addresses were given by Rev. Wm. Burns, of Toronto, and Revs. Chapman and Carswell, of Bondhead, the latter being an agent of the Society for several years back. The old officers were re-elected, and a special committee appointed to try to get the local depository re-opened. Bondhead is another old Branch, being the mother of several adjacent branches, and has done grand work in past years.

*Tottenham*, Nov. 1st.—Meeting held in Presbyterian Church; attendance small for a village of this size. All the local Protestant ministers were present and rendered aid in speaking and business. The Rev. F. C. Kearn, Methodist minister, was chosen President. The depository seems to be in good hands, the books being well assorted and advantageously placed on view.

*Everett*, Nov. 4th.—Meeting in Anglican Church, the only one in the village centre. The pastor, Rev. F. J. Lynch, of Rosemont, was present, and gave an address full of information in earnest advocacy of the Society's interests. Mr. Thos. Tait, who was Chairman, also gave an earnest and spiritual address. The attendance was good and the attention excellent. This new branch bids fair to become one of moderate and regular strength.

*Alliston*, Nov. 6th.—On account of the unavoidable absence of last year's President, Rev. H. S. Matthews, the chair was taken by the Rev. J. R. S. Burnett, pastor of the Presbyterian Church, where this year's meeting was held. The Chairman and Rev. Rural Dean Carroll gave scholarly addresses on the Bible, followed by your agent with one of information regarding the work of the Society. The Secretary, Mr. J. G. Hood, an old and proved friend in this work, read his report, one evincing care and thoroughness. He was re-elected, while the Rev. Mr. Burnett was chosen President in the customary rotation of this Branch.

*Cookstown*, Nov. 7th.—Here the President is an earnest layman, Mr. Geo. Duff, who presided at this annual meeting with interest and urbanity. The number present was not large, but an improvement on past years. Your agent was assisted by Revs. Greig (Presbyterian) and Scott (Church of England) in interesting and helpful addresses. Reports were presented and the old officers unanimously re-elected.

*Rosemont*, Nov. 8th.—The first night appointed being dark and rainy and only a handful of people present, your agent (living near) returned for a second meeting on Dec. 3rd. This time the place of meeting, the Orange Hall, was nearly filled. The Rev. F. J. Lynch, President of this Branch, again assisted your agent with a carefully prepared address on the work of the Society. The other resident ministers were unable to be present through other engagements. This old Branch has given good account of itself in former years and doubtless will continue to do so, being interested in the work and able to help it.

*Elm Grove*, Dec. 2nd.—This Branch, with Everett, occupies the territory of the former West Essa Branch. A good meeting was held this year, the Anglican Church near Elm Grove being almost filled with an interested audience. The only minister able to be present was the Rev. F. L. Brown (Methodist), who was elected President for the coming year. This gentleman gave a very fitting address, and a few remarks were added by the new Secretary, Mr. John Addis. There was some failure to complete the collecting last year, but more attention was promised for the next.

*Campbell's Cross*, Jan. 30th.—At request of the Permanent Secretary, your agent visited this Branch on the above date, though not in district assigned to him. Meeting held in Claude Presbyterian Church with fair attendance. This Branch covering an extensive territory, the meetings are changed year by year from one point to another ; thus all the friends are not able to be at one meeting. The Revs. Farquharson (Presbyterian) and Oliver (Methodist) made able addresses, and the President, Mr. David Graham, spoke from the chair as a well-informed and earnest layman. The collecting here is done before the annual meeting. There are two depositories, at Campbell's Cross and at Inglewood. The hospitality and kindness of this Branch to the agent are beyond praise.

## REV. J. H. MOOREHOUSE.

*Glamis.*—My first meeting was held at Glamis on Friday, Dec. 13th. Fine night, good attendance, good meeting. The sleighing was excellent. Two resident ministers were present. Meeting in the Baptist Church. Affairs of Branch in healthy condition. Officers faithful. The Depository has recently changed hands. The stock being very low, I recommended replenishing, also that Depository be placed in a prominent position in front part of building.

*Pinkerton.*—By special arrangement this meeting was held on Saturday night. Rev. G. McLennan, President, was in the chair, and warmly commended the Society's work The attendance was fair, and the interest in the work hearty. The choir kindly led the singing. The Depository, under the efficient care of Mr. R. W. Geary, is well kept in a neat case with glass doors.

On Sunday I preached three times—Glamis, Kingarf and Kinlough. All three congregations were large, two of the churches being crowded beyond the ordinary seating capacity. I presented the claims of the Bible Society at each place.

*Riversdale.*—Here the attendance was not large, 22, but a very lively interest was shown in the address on the Society's work. The officers and collectors were carefully appointed, and as the committee was found to consist only of three, some additional names were placed on it. I drew attention to the fact that the amount contributed by this Branch last year was small. In reply it was stated that part of the field had not been canvassed. This year we trust the whole ground will be reached.

*Arkwright.*—Besides railway travel, had twenty-one miles drive, much of it through the rain to reach Arkwright. A pleasing incident by the way was a donation of one dollar from a young man who voluntarily offered it when he learned from conversation that I was engaged in work on behalf of the Bible Society. It is placed, as he wished, with the Hepworth collection. The night at Arkwright was dark and damp. Meeting poorly attended. This Branch has been unfortunate in its annual meeting, last two years no meeting because of storms. Those present

listened attentively to the address, and showed real interest in the work. Officers and collectors were carefully appointed We were glad to have Rev. S. W. Holden, (Methodist) with us, and he being a good friend of the Society will lend efficient help. I suggested that he would kindly preach some Sunday on the Society's work. I believe this Branch will show progress this year.

*Hepworth.*—Rain, rain, rain. The night was dark and damp. This Branch had written after I started on tour asking for a change in date of meeting, but telegram I sent had through mistake of operator not reached the Secretary. Hence notice of meeting was deficient. However, I visited the school and gave out notice in both rooms during the afternoon. I also called on Rev. H. J. Harnwell, who said he would do all he could for the Bible Society. Meeting was held in the Methodist Church. Attendance small, but the interest was good ; and after the address, the officers and committees were carefully appointed. We also entered thoroughly into the work of appointing collectors—north, east, south and west of village. Though the attendance at the meeting was not large, I was pleased with the spirit shown at this Branch, and fully expect it will give a good account of itself.

*Allenford.*—This Branch was included in the list given me. I had corresponded and made all arrangements for a meeting, but was afterwards compelled by a funeral to change the date. However, a telegram sent from London was not delivered in time, and the Secretary allowed the meeting to go on as at first announced. A letter received *en route* stated this fact, leaving it to myself whether to hold another meeting. The Secretary wrote, " We had a very good meeting. The only drawback was the absence of the Agent." He stated that two resident ministers were present and gave addresses, and that officers and directors were appointed. So I thought it best not to hold a second meeting, and wrote the Secretary I would fill out report for Toronto if he would kindly forward me details. He has done so, and they will be found in Schedule Report.

On Friday I started for home (9.48 a.m. train), and arrived at 6 p.m., being all day on road.

In closing I would express my thanks to the kind, kind Providence that permitted me to engage again in the Society's work, and preserved me safely throughout the tour.

## REV. C. R. MORROW.

*Port Dover*, Oct. 29th.—This is a fine branch. It has the distinction of having two officers' names in the list of over twenty-five years continuous service. Peter Lawson, the President, enters upon his thirty-first year, and T. B. Barrett, the Treasurer, upon his twenty-sixth. In 1894 David Abell dropped out after twenty-nine years continuous service as Secretary. If he had remained one year longer Port Dover would have had three officers in the twenty-five years or over list. We had a good meeting in the English Church. The pastor conducted the opening exercises. Revs. Messrs, Robertson and Bennett were present and delivered brief addresses. Port Dover has excellent officers and will do well.

*Delhi*, Oct. 30th.—The meeting was held in the Presbyterian Church. Rev. A. Barclay, the pastor, who resides at Lynedoch, was present and conducted the opening services. Dr. Housberger, the President, who is an enthusiastic Bible Society man, removed during the year. In the absence of the President, Rev. Frank Leigh was appointed chairman of the meeting, and afterwards to the Presidency of the branch. The Rev. Mr. Wright, besides the clergymen above named, gave interesting addresses.

*Langton*, Oct. 31st.—The Secretary of this branch, Mr. Ellison, wrote me that all arrangements would be made for the meeting. He gave the announcement to the resident minister. The Secretary attends church four miles away. He had the meeting announced there. The evening the meeting should have been held, in company with the Secretary, I called on the pastor of the church, and found no

announcement had been made. As it was a rainy night, only a few came from the church four miles away. Langton has sent nothing the last two years and less than eight dollars for the two previous years. I cannot advise the continuance of this branch.

*Lynedoch*, Nov. 1st.—The attendance was not as large as I expected, but we had a very interesting meeting in the Presbyterian Church. Revs. A. Barclay, the pastor, Frank Leigh from Delhi, and R. W. Rowe, resident Methodist minister, helped the meeting with inspiring words. Lynedoch is the home of Mr. John Charlton, M.P., who has earned the sincere gratitude of all good people by his earnest work in and out of Parliament on behalf of moral reform, and who is President of the branch. He was present and gave a very instructive address. Mr. W. A. Charlton, M.P.P., the Secretary-Treasurer, enters upon his twenty-fifth year of continuous service. His name will now appear in the twenty-five year list. I expect a considerable increase in income this year.

*Waterford*, Nov. 11th.—Meeting was held in the Presbyterian Church, which at present is without a pastor, which fact, perhaps, had something to do with the small attendance. Rev. Dr. Murdoch (Baptist), and Rev. John Saunders, M.A. (Methodist), were present and spoke briefly. They both expressed a desire that your agent would return next year, and, if possible, spend a Sunday in Waterford.

*Bookton*, Nov. 12th.—This is a sub-branch of Otterville. Mr. Paxton, President of Otterville branch, kindly drove me out to Bookton. We had a fine meeting. Large attendance and good interest. Bookton will increase its income this year.

*Otterville*, Nov. 13th.—Meeting held in the Methodist Church. Rev. R. L. Ockley, the pastor, was the only minister present. Mr. Paxton, the President, in the chair. Officers re-elected and collectors appointed. This branch, with Mr. Paxton at its head, will be sure to do well.

*Norwich*, Nov. 14th.—This was the best meeting of the series. The meeting was held in the English Church Parish Room, which was filled to the door, notwithstanding that it was a very dark night and raining a little. Rev. Messrs. Wright (English Church), Miller (Presbyterian), Newton (Baptist), and Atkins and Wood (Methodist), were present. The first four gave brief but pointed addresses. The editor of the Norwich *Gazette* was present, and gave nearly a two column report of the meeting in the next issue of his paper. Norwich has good officers and a fine committee, who do their work well.

*Welland*, Nov. 21st.—Welland was not in my district, but I received from the committee a very cordial invitation to attend their annual meeting, which was held on Thanksgiving evening in the Methodist Church. The President was unable, through illness, to be present. Rev. C. J. Dobson presided over the meeting. Rev. J. Wilson, of Niagara Falls South, was also invited, and gave an excellent address. Rev. Mr. McQuaig, Presbyterian minister, was present and spoke briefly.

*Vittoria*, Nov. 26th.—In the absence of the President, Rev. Thomas Shields presided, and was elected President of the branch. We had a good meeting. The prospect of this branch is much brighter than for some time. Rev. Mr. Robertson, of Port Dover, has a church in Vittoria, but was sick and unable to be present. The President asked your agent to return next year, and if possible spend a Sunday here.

*St. Williams*, Nov. 27th.—At St. Williams I stayed over night with the President, Mr. William Nevett. The Presideut and his estimable wife both take a great interest in Bible Society work. The meeting was held in the English Church. Rev. A. Shore, the pastor, was present and rendered efficient service. The Baptist minister was absent from home, and the Methodist minister was ill. The officers are active and earnest men, and I hope for a good report.

*Port Rowan*, Nov. 28th.—The President, Rev. T. W. Kelly, B.A., was unable to be present through illness. Rev. A. Shore, English Church rector, was elected

chairman of the meeting. Miss E. Wood was elected Secretary. Miss Wood has for several years looked faithfully after the interests of the Society. She will be a model Secretary.

## REV. ARTHUR MURPHY.

*Beachville*, Oct. 24th.—Meeting held in Methodist Church. Attendance good. Mr. A. Shann, the President of the branch, presided and gave an interesting address, dwelling upon the great work accomplished by the Bible Society. The Rev. Mr. Baillie (Methodist) and the Rev. Mr. Morgan (Baptist), were present; the former led in prayer and the latter gave a short address emphasizing the need of the Holy Ghost's presence in connection with the Society. The meeting was then addressed by the agent.

*Thamesford*, 25th.—The meeting was held in the English Church. On account of a large political meeting at the same hour, the attendance was small. The Rev. Mr. Moyer, Methodist minister, occupied the chair. Addresses were delivered by the agent and the Rev. Mr. Bloodsworth, the Incumbent, who dwelt upon the necessity of the circulation of the Word of God throughout the world.

*Embro*, 28th.—Attendance very good. Meeting held in the Methodist Church. The clergymen present were Mr. Patterson (Presbyterian), Mr. Kershaw (Methodist), and Mr. Hindley (Congregationalist). All gave short addresses, after which the meeting was addressed by the agent. This branch appears to be in a healthy condition.

*Kintore*, 29th. Meeting in the Presbyterian Church. The Rev. Mr. Munro, presided and gave an interesting address. He expressed his deep sympathy with the Bible Society, and then referred to the elevating power of the Word of God by contrasting the nations who have not the Bible with those who have. After the agent spoke and a collection taken up the meeting was brought to a close.

*Durham Centre*, Nov. 1st.—The meeting was held in the Methodist Church. The attendance was good. This branch has an unique way of collecting. The different churches contribute separately. The contributions are solicited on a Sunday during the time for service. This branch is very encouraging, especially the Depository which is most satisfactory. The agent was the only speaker.

*Lakeside*, 4th.—Meeting held in Brown's Methodist Church. The attendance was good. Evidently a great interest taken in the work. The resident minister was unavoidably absent. After the agent addressed the meeting Messrs. Gleason and Sutherland spoke upon the work they had done in the past, and asked the congregation to increase their contributions this year.

*Harrington*, 5th.—Meeting held in the Presbyterian Church, which was well filled. Special music was rendered by an efficient choir. After the agent spoke, excellent addresses were delivered by the Revs. M. S. Burwash (Methodist), Mr. Ferguson (Presbyterian), Mr. McLaughlan (Presbyterian), and Mr. Kershaw (Methodist). This branch is most encouraging.

*Corinth*, 7th.—Meeting in the Methodist Church. The Rev. A. O. Alexander, minister in charge, gave an interesting address after the agent had spoken. He pointed out the relation of the Society to Missionary work, and made a strong appeal for more liberal contributions to the Society this year.

*Ingersoll*, December 6th.—Meeting held in Charles Street Methodist Church. All the local clergymen were present. The addresses were delivered by the agent and the Rev. Mr. Grant, Baptist minister. The meeting was not large, but representative. Several from all the different churches were present.

*Burgessville*, Dec. 8th.—Meeting held in the Methodist Church on Sunday, which secured a large congregation. The Rev. Mr. Boyd, minister in charge, opened the service in the usual way, after which the agent gave an address upon the work of the Society and the Bible itself.

## REV. J. A. McKEEN, B.A.

*Castleton*, Nov 5th.—Meeting was held in the spacious and beautiful Town Hall, and well attended. Mr. Newman, President of the Branch, presided. Addresses were delivered by Elder Prosser of the Christian Church and by Rev. Mr. Thomas (Methodist). On entering Mr. Newman's place of business I did not require to ask where the Society's Bibles were kept. They were in full view on the counter in a handsome glass case. The day of my visit I found a commercial traveller pricing the Bibles so conspicuously displayed and buying one.

*Colborne*, Nov. 6th.—Meeting was held in the Methodist Church and was well attended. The President, Rev. P. Duncan (Presbyterian), presided and delivered a most appropriate address. Rev. Mr. Wilson, pastor of the church, expressed his warm sympathy with the work of the Society. Rev. Mr. Johnstone (Methodist) also spoke. The work of the Society here is being efficiently done.

*Brighton*, Nov. 7th.—Meeting held in the Baptist Church. The audience was not very large and not representative of the whole community. Mr. Nesbitt in the chair. Mr. Pilkey, pastor of the church, gave valuable assistance. Rev. Mr. Watch (Methodist) spoke at length and effectively. It was agreed to re-open the depository, and Mr. A. C. Singleton, who has served the Society for fifty-five years, was appointed Depositary.

*Percy*, Nov 22nd.—Meeting in the Methodist Church at Warkworth, Mr. Douglas, President, in the chair; a fairly good attendance. Assistance was given by the resident ministers, Rev. Mr. McFarlane, pastor of the church, Rev. Mr. Sutherland (Presbyterian), and Rev. Mr. Peake (Methodist). Mr. Peake's drive of forty miles that day over a rough road did not prevent him from being present. The records are carefully and correctly kept by Mr. R. P. Hurlbut, the Secretary.

*Grafton*, Nov. 23rd.—Meeting appointed for Nov. 8th, but adjourned on account of rainstorm. Adjourned meeting held in the Presbyterian Church. Rev. C. S. Lord, B D., President, in the chair; a fairly good attendance. The business of the Society is well attended to. We had the privilege of speaking to the fine congregation that assembled on Sabbath morning, the 24th, in the Presbyterian Church.

*Vernonville*, Nov. 25th.—Preaching service was held in the Presbyterian Church, the only church in the place, on Sabbath afternoon. We had the promise of a good meeting on Monday evening, but a heavy rainstorm set in and the attendance was small It was an unusual looking audience, however, as seven-eighths of those present were men. Mr. Blacklock, President, in the chair. Mr. Boyd presented his carefully prepared report as Secretary, and also the report of the Treasurer, Mr. Hinman, who was absent through illness. This Branch has contributed over eleven hundred dollars to the Upper Canada Bible Society during the last nineteen years.

*Baltimore*, Nov. 26.—Meeting was held in the Presbyterian Church, Rev. Mr. Gilchrist (Presbyterian), President, in the chair. The meeting was not very large, but we found here earnest and faithful workers and efficient management.

*Roseneath*, Nov. 27th.—Your agent met a large and enthusiastic audience in the Methodist Church. Rev. Mr. Tomblin (Methodist), President, presided. He gave an admirable address. Rev. Mr. Fusee (Methodist) also spoke The business of the Branch is in the hands of men of business habits and is well done. There is here an excellent Depository.

*Harwood*, Nov. 28th.—Meeting held in the Presbyterian Church, the pastor of the church, Rev. James Ross, B.A., President, in the chair. A large and most attentive audience. Some changes were made in officers of the Branch. It was agreed to open a Depository at Gore's Landing, in addition to the one now at Harwood.

*Coldsprings and Camborne*, Nov. 29th.—Meeting was held in the Methodist Church, the pastor of the church, Rev. Mr. Mears, President, in the chair. Rev. Mr. Gilchrist (Presbyterian) of Baltimore, was present and gave an admirable

address. Rev. Mr. McCormack (Congregationalist) also spoke. With all the ministers of the community present and interested we could count on the sympathy of the fine audience that assembled. The friends of the Society here have suffered the loss of their Depository by fire, but are getting a new case ready for a fresh supply of Bibles.

## REV. P. McNABB.

*Desboro.*—This is the first meeting of the series. It was held in the Presbyterian Church The early part of the evening was not very propitious, but cleared off before time for the service. There was a good attendance. The Rev. J. Burnett, minister of the church, conducted the devotional exercise, and also gave a short address on "The Needs and Work of the Bible Society in the North-West and British Columbia." Having labored in the West, Mr. Burnett testified what he had seen. The officers regret that so little was done last year for the Society. The prospects this year are brighter. Before the close of the meeting at least ten young ladies volunteered to canvass for the Society. Your agent made use of this "volunteer" movement at most of the meetings afterward with good effect.

*Chatsworth.*—The meeting was held in the Presbyterian Church. Rev. Mr. Thompson, pastor, presided, and conducted devotional exercises. The Rev. Mr. Riley, of the English Church, who was present, also spoke for a short time. The address of your agent was listened to with much interest. Rev. Mr. Riley was appointed President for the ensuing year. This branch is in a good condition.

*Walter's Falls.*—Through the efforts of the local ministers a good attendance was secured. The Rev. Mr. Berry, of the Methodist Church, presided. Your agent experienced much pleasure in his visit to this branch, and the kindness shown him will not soon be forgotten. His address was well received. This branch promises to do faithful work. Rev. Mr. Murphy, of the Episcopal Church, was appointed President for the coming year. Rev. Mr. Davidson arrived at the close of the meeting and volunteered to secure collectors in a remote part of the district. The branch will find this very much to its help. Your agent has been urging this at all the meetings, and believes it will very much add to the contributions to the Society.

*Kimberley.*—Too much praise cannot be given to Mr. Thurston, President of this branch, for the interest he has taken in its work. The whole village was canvassed by him to secure a good attendance at the meeting. His efforts were not in vain; it was good, and the meeting was one of the most pleasant I have attended. The church was well filled, mostly young people. Excellent music was also rendered by the choir, Undoubtedly good will be done by this branch this year. The advisability of extending the work in regions beyond the village and its immediate vicinity was pointed out, and will no doubt be attended to.

*Markdale.*—The night being stormy the attendance was small. The Rev. Mr. Goldbery, pastor of the Episcopal Church and President of the Society, presided, and gave a short address. Rev. Mr Hunter, of the Presbyterian Church, also addressed the meeting. The reports of the officers, except that of the Treasurer, were all received and adopted. The sale of Bibles here is the largest in the district, amounting to over twelve dollars. A few changes were made in the officers. The heartiness of the meeting indicates that the friends of the Society will not be slothful in its business here. Good results may be expected this year.

*Flesherton.*—The storm of last night is still on, consequently the attendance at the meeting is but small. The pastor of the Methodist Church, where the meeting is held, presided. After short devotional exercises, conducted by the local ministers, the reports of the officers were read and adopted. The Rev. Mr. Gardiner, of the Baptist Church, gave an excellent address on "The Power of the Word of God," which was followed by the Rev. Mr. Hunter, of Markdale, along the same line. After the address of your agent, and the usual votes on such occasions, the meeting was closed with the benediction.

*Priceville* —The day following, early in the morning, your agent arrived by stage at Priceville; found the President, Rev. Mr. McLeod, ready to receive me, and with him and also other friends of the Society spent a very pleasant day. The day was stormy, nevertheless there was a fair attendance at the meeting. That a branch like Priceville did not succeed would be something to be wondered at. All the officers of the past year were re-appointed. Miss M. A. Brown was appointed depositary of the branch.

*Kemble.*—A snowstorm then raging made it impossible for any save the villagers to attend The President, Rev. Mr. Carson, of the Methodist Church, presided. After devotional exercises the various reports were presented, and show the branch to be growing. The collecting was all done before the annual meeting. The contributions are much in excess of last year. There has been also a good sale of Bibles. The officers of last year were re-appointed.

*Kilsyth.*—This is the last branch visited. The report of your agent last year states that this branch held the "Banner" of the district for that year. They are determined to hold it still. The reports show that they have done better this year than any in the past. Their contributions will amount to over fifty dollars. Their whole district has been thoroughly canvassed. Addresses were given by Rev. Mr. Ledyard, the newly elected President, and your agent. The sale of Bibles has been but small. The depositary was recommended to have the books placed in the village stores. This will, no doubt, help to increase the sale. This branch is in a very satisfactory condition.

P.S.—Your agent, in company with Mr. Cromar, one of the colporteurs of the Society, visited *Holland Centre* and took stock. The amount of sales is but small. Your agent promised to attend their annual meeting, which is to be held shortly, and give them all the assistance he can.

## REV. THOMAS NATTRESS, B.A.

*Pelee Island*, Oct. 18th.—Only an afternoon meeting could be held owing to the irregular time table of the steamer communicating with the Island. But few sales are reported for the year. The branch was represented, however, as having been a great help to the Island people. Where a few years ago there was not a Bible in many of the homes, nearly every home is now provided. The Depository is well stocked. A book-case will be provided at once that the Bibles may de kept in public view and well cared for at one and the same time. Last year but little was collected and the amount not forwarded. This year collectors are appointed for every part of the Island, and the seven hundred residents will be given an opportunity to contribute. The Executive request that hereafter the annual meeting be held about the middle of August.

*South Buxton*, Oct. 24th.—Disappointment was met with here; no depositary, no resident officer, no meeting. Your agent appointed a resident secretary-treasurer, sister of the former secretary. The same young lady, Miss E. B. Hill, superintended the collecting last year and has undertaken it again.

*Duart and Orford* (Muirkirk Station, M.C.R.), Oct. 25th.—In the prospect of the President's removing from Duart at an early date, Robert McLean, Esq., was elected President in his stead. The attendance was good and a lively interest manifested in the work of the Bible Society. A fairly large stock of Bibles on hand is likely to be supplemented shortly with a view to better assortment. The directors and collectors were re-elected, and are well distributed throughout the five districts, into which the surrounding country is divided for the purposes of the Society.

*Aldborough* (New Glasgow, Rodney Station, M.C.R.), Oct. 26th.—The meeting being held on Saturday night, and for other causes of a local or accidental character, the attendance was not as large as it might otherwise have been, but was not small. The officers were re-elected and collectors appointed for each district. Your agent preached here on Sunday morning and had a much larger audience than on Saturday night. There is no depository here, that at Rodney being sufficiently near.

*West Lorne* (Bismarck Station, M.C.R.), Oct. 28th.—Here, as everywhere else, the cry was for information. The attendance was the largest we have ever seen at a Bible Society meeting anywhere. The depository has been changed to the place of business of Mr. Hartley Robinson, the most prominent place in the village for it. The other officers were all re-elected, and very competent men they are. Here, as elsewhere, an early and thorough canvass was recommended and assured.

*Fingal* (Shedden Station, M.C.R.), Oct 29th.—This is a long-established and liberal branch of the Bible Society. The honored President of former years, D. McPherson, Esq., has passed away after serving the Society for some thirty-five years. He is succeeded in the Presidency by Mr. Charles Edmonds, who himself served the Bible Society for thirty-five or thirty-six years, first as a member of the Executive Committee, then as secretary-treasurer, and now as a president. Rev. Dr. Southerland presided at the meeting. The attendance was fairly large for a stormy night. The offices were all filled. The stock on hand in the depository needs to be supplemented.

*Kintyre* (Rodney Station, M.C.R.), Oct. 30th.—The officers of last year were re-elected. There is no depository here, that at Rodney being sufficiently near. Full information was given of the working of the Bible Society at home and abroad. This branch being entirely rural the attendance was no doubt affected considerably by the fact that an evening meeting was held the day before.

*Rodney*, Oct. 31st.—It is important that the depository here should be well stocked, as neighboring branches depend upon it for supply. The Executive Committee will attend to this, as also to the prompt sending out of collectors. The officers of last year were re-elected. The attendance at the annual meeting of the Bible Society here is generally good, but this year it was small owing to rough weather.

*Lambeth*, Nov. 1st.—The meeting here, though one of the smallest in point of attendance, was the most representative meeting your agent has held thus far. Rev. Messrs. Blachford and Quance, of the Methodist Church, and Rev. Mr. Brown, of the Presbyterian Church, who were present, represented nine congregations. Interest in the work of the Bible Society has been allowed almost to die out. Last year no work was done at all, and no doubt the present discouragement is very largely due to past inactivity. Mr. Herbert Baker was elected Secretary. The Executive Committee was very carefully chosen. The outlook now is that a vigorous canvass will be made of a large section of country and a creditable report made. There has been no depository at this point for a number of years. The Executive will consider the advisability of re-establishing one.

*Comber and West Tilbury*, Dec. 10th, 1895.—The meeting here was an enjoyable one, though the small attendance did not evidence much enthusiasm. Sickness in the homes of some of the officers might partly account for the apparent lack of interest. The full complement of officers, directors and collectors was elected, and the work of the Society presented in detail, special attention being drawn to its missionary and economic aspects. The sales for the year have not been as large by one-half as for the preceding year—not a discouraging feature, however, for it indicated rather that the people are already very largely furnished with Bibles.

## REV. W. H. PORTER.

*Whitechurch*, Nov. 4th.—Annual meeting not large, but interesting; efficient help rendered by ministers and the Society officers. A goodly number of children listened attentively.

*Lucknow*, Nov. 5th.—Annual meeting. From a number of causes the attendance was small, but there are good men connected with and interested in the Society's work.

*Kinlough*, Nov. 6.—An interesting service. Quite a number of young people, who listened with much apparent interest to the work and claims of the Society.

*Langside*, Nov. 7.—Very good attendance and interest notwithstanding partial failure in announcing the meeting. Here, as at Whitechurch, Rev. Mr. McNab's aid was most valuable.

*St. Helen's*, Nov. 8th.—Dark and damp night, but a goodly number present, some having come four or five miles. Sorry to find the depositary of the Society here in very delicate health.

*Wingham*, Nov. 10th.—Found the branch here in a very low state. Through the kindness of Revs. Perrie (Presbyterian) and Hamilton (Baptist), I had the privilege of preaching morning and evening on the work and claims of the British and Foreign Bible Society, to large, attentive and interested audiences. Did what I could, without calling a special meeting, to have the branch reorganized ; I hope not in vain.

*Bluevale*, Nov. 11th.—Here notice had failed to reach the Secretary and, much to my disappointment, no meeting had been announced. However, the officers and ministers received me with the uniform kindness that I have found everywhere, and, being called together, we spent a pleasant and profitable evening in arranging for their public meeting re-establishing the depository, and selecting officers and collectors for the coming year.

*Walton*, Nov. 12th.—Largest meeting I have had. Good interest. Depository well kept, gratuitously ; needing, however, more variety of Bibles. The officers here, as at Lucknow, intend holding meetings at other stations around.

*Molesworth*, Nov. 13th.—Roads and weather unfavorable, but a good attendance considering. Here the books are well kept, though few sold, the people being already well supplied.

*Atwood*, Nov. 14th.—Dark and damp, but a fair audience notwithstanding. In interest and efficiency, and especially of its depository, thus far this seems to be the banner branch.

*Trowbridge*, Nov. 15th.—Good audience considering the night ; general evidences of interest and efficiency in the work. Depository neatly kept and well-cared for ; perhaps because, as at Atwood, a lady has charge of it.

*Listowel*, Nov. 16th.—Cordial reception, by appointment, from the Ministerial Alliance, who unanimously agreed to call a meeting and make an effort to resuscitate this branch.

## REV. R. ROSS (MANITOBA).

*Shoal Lake.*—Meeting was held in the Presbyterian Church ; fairly well attended. The Presbyterian minister, Rev. Mr. Robertson, was present and took part in the meeting.

*Newdale.*—The meeting was to be held in the Methodist Church. The night was very stormy, I lost my way going there, and wandered over the prairies a good part of the night. I got there next day, saw most of the people, and collected $4.90 for the Society.

*Minnedosa.*—The meeting was in the Presbyterian Church. Not well attended. The collection was only $1.00. Rev. Mr. Andrew (Methodist) and Rev. Dr. Sutherland (Presbyterian) were present and took part in the meeting.

*Neepawa.*—Meeting was held in the Presbyterian Church, and was well attended. Rev. Mr. Patterson (Presbyterian) and Rev. Mr. Rutledge (Baptist) were present and took part in the meeting.

*Gladstone.*—Meeting in the Methodist Church ; not large, other meetings were in town that night. Both the Methodist minister, Rev. Mr. Laycock, and Church of England minister, Rev. Mr. Gowling, were present and took part in the meeting.

*Hamiota.*—Meeting was to be held in the Presbyterian Church. Something was wrong with stove that they could not start a fire—not many came. There were too many other attractions in town that night.

*Birtle.*—Meeting held in the Baptist Church ; fairly well attended. Rev. Mr. Hames (Methodist), Rev. Mr. Frew (Presbyterian), and Rev. Mr. McIntyre (Baptist) were present and took part in the meeting.

*Russel.*—Meeting in the Presbyterian Church. Revs. Cameron and Gordon (Presbyterian) and Rev. Mr. Hill (Church of England) were present and took part in meeting.

*Rapid City.*—Meeting in the Methodist Church, and though the night was both cold and stormy, there was a good attendance, and people much interested in work. Rev. Mr. Davies, Methodist minister, was present and took part.

*Saltcoats, Assa.*—Meeting in the Presbyterian Church. Rev. Mr. Sutherland, Presbyterian minister, was present and took part in meeting. Fairly attended.

*Yorkton, Assa.*—Meeting in Methodist Church. Not many present.

## REV. DAVID Y. ROSS, M.A.

*Woodville*, Oct. 29th.—Small meeting ; so small that no collection was taken up and address not given. It was thought desirable to invite me to preach on some Lord's Day early in December.

*Cambray.*—The night was not very good, but the meeting was considerably larger than last year and quite enthusiastic. Mr. Feir presided.

*Glenarm.*—Splendid meeting ; Rev. D. McDonald presided. The Secretary had prepared a few pieces of music to be rendered previous to the address. A large audience present. Business in good form.

*Fenelon Falls.*—Mr. Fraser, of the Baptist Church, said it was the best meeting in seven years. Held in the Methodist Church, of which Rev. Mr. Steele is pastor. All the pastors of the town present ; business well attended to.

*Bobcaygeon.*—Meeting in the Methodist Church ; not so good as last year. Two other meetings interfered with its success. Business carefully done.

*Dunsford.*—Night very gloomy ; meeting held in the Presbyterian Church. Rev. Mr. Metherill (Methodist) and W. J. Creighton, M.A. (Church of England) assisted. A fair audience present. There was collected last year $20. The spirit of the meeting was good. The collectors are to be requested to go out earlier so that the contributions may be reported in time to be included in the report of the Society.

*Sonya.*—This Branch usually gives the thanksgiving collection and the collection at the public meeting. Rev. A. Currie presided. It is likely that collectors will be appointed in future, as this year both Thanksgiving Day and the day of the annual meeting were unpropitious.

*Manilla*, Nov. 12th.—Very good meeting ; Rev. Mr. Hazzard presided. Mr. George Douglass read the report of last year's work and amount of sales at the depository. A vote of thanks was heartily tendered to Mr. John McMichael, who was Treasurer for many years.

*Little Britain*, Nov. 19th.—Meeting held in the Christian Church. The pastor, Rev. Elder Garbutt, conducted the devotional exercises. Dr. Vrooman presided. This Branch always makes a good record.

*Cannington*, Dec. 13th.—The first meeting announced was postponed ; strong political excitement existed owing to an election taking place. The second meeting was more successful ; Rev. Mr. Rix in the chair. Rev. Mr. Brace (Baptist) gave an interesting address. The usual arrangements for collectors, etc., were made.

*Valentia*, Jan. 14th, 1896.—This Branch was formed last year and a depository opened up. A very good meeting was held this year. After the address of the agent, the territory was divided into districts and collectors appointed. Good returns are expected this year as the audience was evidently in sympathy with the work of the Bible Society.

As in the previous year your agent received many evidences all through the district of interest in the work. Thanks are returned for the generous hospitality of the people.

## REV. J. M. SMITH.

*Perry Station*, Aug. 26th.—In a rich agricultural country, studded with churches, Perry Station seemed to be a desirable place for a branch of the Bible Society. Accordingly, I addressed a good meeting in the Baptist chapel there on Monday night, with the result that a branch has been established. Valuable assistance was rendered by the pastor of the church, Rev. W. T. Roberts and the Rev. J. H. Stone. A good, strong committee was formed representing six churches, and a good work I think is assured in the future. It will take time to mature the organization, but I am very hopeful for its future usefulness.

*Marshville*, Aug. 27.—A rousing meeting was held here on the 27th, in the Anglican Church. The pastor, the Rev. Alfred Bonney, of Port Colborne, and the Rev, W. T.Roberts, of the Baptist Church, gave your agent valuable assistance in the formation of the branch here. The congregation was large and enthusiastic, and the institution of the branch of the Bible Society was heartily entered into. You may expect to hear a good account of this branch in the future.

*South Cayuga*, Sept. 30.—The annual meeting of this branch was held in the Evangelical Church. The resident ministers, Messrs. Corcoran and Morlock gave very interesting addresses. A male quartette and a union choir contributed largely to the interest of the meeting. The audience was large and enthusiastic, and the visit of the agent each year is always looked forward to by the people of this neighborhood. The Vice-President occupied the chair in the absence of the President, Mr. Housberger, through illness. The contribution has already been gathered, and is equal to former years. This is a good branch.

*Selkirk*, Oct. 1.—This branch is not as active as it ought to be, largely, I think, because of sectarian divisions. This is a good district, and there are some noble people. We had a fairly good meeting in the Evangelical Church, and I hope there will be an honest attempt at collecting, and a good contribution received for the Society's work. Mr. E. E. Philips, a merchant of the town, and an active Christian, has been appointed President. He promised to see the work properly done this year.

*Cheapside*, Oct. 2.—The Union Society of Christian Endeavor through their President, the Rev. Mr. Lavell, took hold of the Bible Society meeting here, and made it a decided success. The outlook is quite hopeful for an advance on last year's contribution. It was a great pleasure to your agent to have the privilege of addressing so many young people on behalf of that old Society of Christian Endeavor, the British and Foreign Bible Society. The officers here are decidedly efficient.

*Nanticoke*, Oct. 3.—The annual meeting of this branch was held in the Episcopal Church. The rector, Mr. Garden, was absent from home, but the Rev. Mr. Macartney, of Jarvis, was present and took an active part in the meeting. This branch is efficiently conducted by a staff of good officers. The contribution, which is always large, will fully equal former years, I think. Your agent was hospitably entertained at the Rectory.

*Ridgeway*, Oct. 8.—On my visit here I was told by several persons that there was no excuse for there being no contribution from this branch for the last two years. A beautiful, wealthy country around the village, warm-hearted Christian people, we should have not less than fifty dollars a year from this branch. I hope that will be the case this year, and that the hopes of the officers may be realized. The meeting was held in the Methodist Church, the pastor, the Rev. Mr. Bowers, assisting in every way to make the meeting a success.

*Bridgeburg*, Oct. 9.—This place has changed its name often. Now it is from International Bridge to Bridgeburg. This is the name that has been given also, by a vote of the annual meeting, to the Bible Society branch. The meeting was held in the Presbyterian Church, and although not largely attended, was in every other way a good one. I think we shall have a good contribution from this branch this year.

*Cayuga*, Oct. 15 —An annual meeting of a Bible Society branch and not a resident clergymen present, that was my experience this year in Cayuga ; *nevertheless*, the officers are efficient, warm-hearted and loyal, and the Society's interests are well looked after. The contribution is larger than for many years, chiefly owing to the enthusiasm of two young ladies, Miss Cotter and Miss Annie Davies, who canvassed the town thoroughly. So my visit was a pleasant one Dr. Baxter, M P.P., was in the chair, and the meeting passed off very well indeed. Mr. Cotter, the veteran Secretary, entertained me royally.

*Canfield*, Oct. 16.—The Rev. Mr. Foote, of Cayuga, is the President of this branch, and was in his place at the annual meeting in the Methodist Church. Part of the collecting was already performed before my visit, but I got officers to promise that the whole district would be thoroughly canvassed, as this is a wealthy community. Fresh life has been infused into this branch, and I hope to see the largest contribution this year from them that they have yet given.

*Port Colborne*, Oct. 24.—The annual meeting of this branch was held in the Episcopal Church. There was a good attendance and an enthusiastic meeting, conducted by the rector, the Rev. Mr. Bonny. For the first time in many years a thorough canvass will be made of all the churches in the town. This branch has improved within the last two years, and I think the improvement will continue this year also.

*Dunnville*, Nov. 1.—This vigorous branch held its annual meeting in the Baptist Church, the pastor. Mr. Quin, conducting the opening exercises. The officers are all young and intelligent men, full of life and enthusiasm. This is the reason why this small town sends such a large contribution to the funds of the Society. The resident ministers, Messrs. Quin, McLellan and Casson, gave short addresses. A grand meeting, which is sure to swell the collection this year from this active branch.

## REV. P. STRAITH.

*Port Albert*, Nov. 25th.—The evening was wet, yet there was a fair attendance. Rev. Robt. Fairbairn, Presbyterian minister, in whose church the meeting was held, occupied the chair and commended the work of the Society. Mr. James Quaid, the active Secretary of this branch, also said some words on the claims of the work.

*Ripley*, Nov. 26th.—The meeting was held in the Presbyterian Church, of which Rev. A. Sutherland, President of this branch, is pastor. There was a fair attendance. The President, Rev. Mr. Hutton, Methodist minister, and Rev. Mr. Davidson, Presbyterian, made short addresses commending the work of the Society.

*Bervie*, Nov. 27th.—The meeting was held in the Methodist Church. The ministers of the place were unavoidably absent. Mr. John Fair occupied the chair. The attendance was small, but there was a manifest interest in the work. Mr. Wm. Henderson, Secretary of this branch, is a live man and a great help in the work here.

*Armow*, Nov. 28th.—There was a good meeting in the Presbyterian Church. The pastor was not able to be present, but we were assured of his interest in the Society. Mr. Forbes Robertson, President of this branch, occupied the chair. It was gratifying to see the readiness of those appointed to help in the work.

*North Bruce*, Nov. 29th.—The meeting was held in the Presbyterian Church. The night was unfavorable, but there was a fair gathering chiefly of young people.

Rev. H. McQuarrie, pastor of the church, and a former agent of the Society, presided, and spoke of the claims of the Society.

*Southampton*, Dec. 23rd.—The meeting was held in the Presbyterian Church; Rev. A. Tolmie presided. This Branch has been somewhat disorganized for some time. There seems to be an interest in the work of the Society, judging from conversation with old members, and it is hoped this branch will soon be in good working shape again as in former years.

## REV. E. A. TONKIN.

*Bloomfield*, Oct. 30th.—Beautiful weather but a very small attendance. Meeting held in Friend's Meeting house. The service was greatly assisted by Rev. O. R. Lambly, a former agent of the Society. The collectors had done their work realizing $13 53. The Committee met next morning and reorganized the depository.

*Wellington*, Oct. 31st.—A very heavy storm prevented the congregation assembling, but the officers gathered and the business was transacted. We adjourned the meeting to Dec. 2nd, but we were again overtaken by a storm and the attendance was very small. The officers however are in earnest and we look for good results. The depository is well kept.

*Melrose*, Nov. 5th.—Methodist Church well filled and a grand meeting. Rev. Mr. McArthur, Presbyterian, gave an excellent address. The friends of the cause here are very faithful and the collectors very efficient. Last year they advanced 100 per cent. on former givings, and though the times are hard the promise is for a further advance this year. It cheers and encourages the Agent to visit Melrose Branch.

*Shannonville*, Nov. 6th.—Meeting in Methodist Church fairly well attended. We missed Mr. R. L. Lazier, our faithful President, who has removed to Belleville. Rev. Mr. McArthur again rendered valuable service. Mr. H. Lovelace, an earnest young man, was appointed President, and arrangements were made for a faithful canvass of the village. The depository, in charge of Miss Creeper, is in excellent condition, though the amount of sales is small.

*Tamworth*, Nov. 7th.—The meeting in the town hall was very small as far as the adult part of the congregation was concerned. But the children were out in force and seemed very much interested in the address of the Agent. We hope for brighter days for the Society's work here. Depository sales $12.08.

*Newburgh*, Nov. 8th.—This branch, under the presidency of our veteran Bro. J. Farley, always gives your Agent a warm welcome, while the friends seem to vie with each other in their hospitality. Rev. R McCullock withdrew a service to be present at the meeting, while our old and tried friend Rev. J. Gandier was again on hand. Both of these gentleman rendered excellent service in the meeting. On account of a very heavy storm, the audience was not so large as last year, but the friends will do their duty. The stock in the depository requires replenishing.

*Napanee.*—Our cause here is very low. I am told that for one or two years it has been impossible to muster a meeting. We spent Sabbath, Oct. 10th, here, speaking in the Presbyterian and both Methodist churches. We arranged for a public meeting in the town hall for Nov. 28th. This meeting was better attended than any for some years, two Presbyterian and two Methodist ministers being in attendance. The Committee of Management was re-organized and a hope expressed of better days. This town used to do noble things for the Society and should still be a fruitful branch of the great vine which is encircling the earth.

*Lonsdale*, Nov. 11th.—There having been a Branch Bible Society here some years ago, and being invited to hold a service here, we selected the above date. Meeting held in Presbyterian Church. The pastor, Rev. Mr. McArthur, being unavoidably absent, Rev. Mr. Garbutt, Methodist minister, presided. The congregation

was not large but we had a good meeting. A Society was organized, with Mr. T. A. Gordon as President, and Mrs. W. Whiteman, Secretary. Collectors were appointed and we hope Lonsdale will give a good account of itself.

*Deseronto.*—We had a good meeting in the S. S. Hall. We missed our worthy chairman, W. E. Rathbun, Esq , who was absent in England. We were assisted in the service by Rev. R. Taylor, Methodist minister, and Rev. Mr. McTavish, lately settled in the Presbyterian Church. The stock in the depository has been renewed and placed in a conspicuous place, and good results are confidently expected for the ensuing year.

*Milford*, Nov. 29th.—We had a most excellent meeting here in the Methodist Church, and a large congregation listened to an excellent address from Rev. Mr. McPhail, Presbyterian minister of Picton. The drouth of last summer, which struck the neighborhood with unusual severity, has caused a serious monetary depression, yet we hope Milford will give a good account of itself this year. A good staff of collectors has been appointed. A depository has been opened which promises to be very useful in circulating the Word of Life.

*Cherry Valley*, Dec. 3rd.—The meetings are usually held here on the Sabbath, so that a week evening meeting is not largely attended. We also had a stormy evening which helped to make the attendance small. However, we had a good service. The President, Rev. J. W. Young, occupied the chair. We had no report from the absent Secretary. Collectors were appointed to visit the neighborhood and good results are hoped for.

*Picton*, Jan 8th.—Service in the Main Street Methodist Church. We had a grand meeting. The ministers of the town were present and assisted. A good collection and an energetic canvass promised. The depository in a good state and amount of sales encouraging.

## REV. L. H. WAGNER.

*Mildmay*, Nov. 5.—I began my work at this place this year with a good turnout, although at one of the churches special revival meetings were being held. The pastor of the Presbyterian Church, where the meeting was held, Rev. Mr. Hastie, gave an interesting address, following that of your Agent. The services of the officers of the past were rewarded by re-election. A collection of $14.26 was secured for the cause.

*Hanover*, Nov. 6.—A large audience welcomed your agent and officers of this branch in the Evangelical Church. Most of the Protestant ministers of the town were present, adding to the interest by timely and appropriate remarks, to wit: Revs. Theo. Hauch, Charlton, Clark, and Patterson. The choir of the church rendered several inspiring selections. Your agent addressed the meeting in both the English and German language. A cash collection of $6.35 was gathered.

*Elmwood*, Nov. 7.—We had only a small meeting at this place. Former officers were re-elected. A small collection of $1.50 and subscription of $2.75 was secured, speeches were made in German and English by myself and Revs. Hauch and Leibold, and the work started for another year. The President, Rev. Couch, was re-elected.

*Ayton*, Nov. 8.—As far as work is concerned this is certainly not the least important of your branches, for both sales and contributions compare favorably with other places. The meetings, however, are generally small. Rain, snow or other circumstances tend to keep people in their homes, who are, however, ready to aid the cause. We had the pleasure of having the veteran president, Mr. Wm. Langdale, in the chair again. Perseverance is doubtless one of the strong features of this branch.

*Zurich*, Nov. 12.—This branch shows continued and energetic life. The depository is in a prominent place and well kept. The pastor of the Evangelical

Church, where the meetings are usually held, Rev. D Brandt, was elected President. Your agent, as usual here, spoke in both English and German. The amount of sales of Scriptures are usually high here.

*Dashwood*, Nov. 13.—This meeting was rather better than former occasions, being held for the last time in the old Evangelical Church, which is being at present replaced by a large brick edifice. "Deutsch und English" was wanted here, as elsewhere, which I am always glad to give for the good of the cause. Sales are not large, but a large field is opening here. A collection of $3.00 was secured. The outlook is very promising.

*Crediton*, Nov. 14.—Owing to the inclemency of the weather the attendance was comparatively small. It was held in the Evangelical Church, whose choir rendered several appropriate selections. The depositary, Mr. Carl Braun, in reporting, made the statement that, since the organization of this branch 1868, he having acted thus long in this capacity, he had sold in all 2,132 Bibles and Testaments, but that for some reason the past year's sales were less then any previous year. Your agent was required to deliver both an English and a German address. There were no other speakers. A collection and subscription of $7.50 was taken up.

*Morriston*, Dec. 10.—This was decidedly the best meeting, as regards attendance, I have had the privilege of holding this year. The Evangelical choir rendered several good pieces of music. The new President, Rev. A. W. Sauer, put life into the audience at the opening, giving me quite a start, so that people were ready to listen to the work of the Bible Society.

*Sebringville*, Dec. 12.—This branch is alive to the interest of the cause. The usual work of the annual meeting was conducted with promptness and despatch. In order to increase the interest yet more, the Rev. J. P. Hauch, of Berlin, was invited to be present, who gave us an able and instructive address, to which your Agent added his share The choir of the church of the Evangelical Association, where the meeting was held, assisted very much in the programme of the evening. Collection, $18.80.

## REV. J. WASS.

*York.*—Your agent visited this branch on Tuesday, Nov. 19th. A heavy rain in the evening caused the meeting to be very small. The business was transacted and a short address was delivered. Arrangements were made for the extension of the work at this branch by the appointment of more collectors, and the Rev. Mr. Fallis agreed to hold a meeting in the interests of the Bible Society at one of his churches a few miles from York, and appoint collectors there to work in connection with this branch. I hope for better results at York.

*Oneida.*—The officers of this branch are deeply interested in the Bible Society, and they are strongly supported by their pastor, the Rev. Mr. Turnbull. Oneida Branch is safe under such leadership, and will continue to give a good account of itself. The meeting was held the evening of Nov. 20th.

*Jarvis.*—The meeting was held in the Presbyterian Church on Nov. 21st. The opening services were conducted by the Rev. Mr. McLennan, and a stirring address was given by the Rev. Mr. McCartney. From the tone of the meeting, and a strongly expressed desire on the part of the officers of the Society and the pastors of the churches to do better work in the future than in the past, you may expect larger returns from Jarvis.

*Ancaster.*—The meeting was held here Nov. 28th., with Dr. Brandon in the chair. The Revs. Clarke and Hamilton were present and assisted in the meeting. Four additional collectors were appointed to canvass sections heretofore unreached in behalf of the Bible Society. If the spirit manifest in the meeting could be taken as an indication of more effective service in the interests of the Society, Ancaster Branch will render a better account next year.

*Binbrook.*—The meeting was held on the evening of Nov. 29th, at Woodburn. A heavy rain fell during the evening and the roads were very muddy, consequently the attendance was small. With such a President as this branch has in the Rev. Mr. Walker, the Bible Society's interests will be well looked after.

*Glanford.*—In accordance with a special request from the Secretary of this branch I visited it on Sunday, Dec 1st, and held two meetings, one at Mt. Hope in the morning, and one at Case Church, three miles distant, in the evening, at both of which I spoke directly on the aim and work of the Bible Society. The claims of the Society had never before been presented to the people at Case Church and no collecting had been done in that neighborhood. Collectors will be appointed and the interests of the Society will be looked after by the officers of the branch and the Rev. Mr. Kelly, of Mt. Hope.

## REPORTS OF BRANCHES WHICH HELD MEETINGS WITHOUT AN AGENT.

*Burgoyne.*—The annual meeting of this branch was held in the Presbyterian Church on the evening of December 27th, 1895, and was well attended. The President, Rev. John Bell, occupied the chair. No agent of the Bible Society was present, the Committee having agreed to try the experiment of doing without an agent this year, thereby saving the expense. Rev. Mr. Huff gave an excellent address on the origin and work of the British and Foreign Bible Society, which was well received. Rev. Mr. Bell also gave an address on the influence of the Bible. A number of appropriate readings and solos were rendered during the meeting. A union choir of the different churches sang several selections all bearing on the one great subject—the Bible Altogether the meeting was one of the best we have ever had. The experiment was a success.

*Chesterfield, Ratho, and Bright.*—The annual meeting of this branch was held on Jan. 23rd, in the Chesterfield Prebyterian Church. Rev. W. H. Johnston, pastor, occupied the chair and spoke of the work of the Society. Rev. P. Straith, Ratho, set forth the claims of the Society. A resolution was passed in regard to the death of the President of the branch, Mr. Teasdale Hall, who passed away during the year and who for many years took a warm interest in the work of the Society. The Secretary-Treasurer's report for the year showed an advance in contributions over the previous year.

*Innerkip.*—The annual meeting was held in the Methodist Church on Nov. 14th. 1895. The night was unfavourable, yet the attendance was fair. Rev. P. Straith occupied the chair. Rev. S. Nicholson, Methodist minister, and the chairman (Presbyterian), addressed the meeting on the Claims of the Society. Mr. D. McBeath, for 36 years an office-bearer in the Society, read the Secretary-Treasurer's report which showed the past year as one of the best in the history of this branch.

*East Williams.*—The annual meeting of the East Williams branch was held in the Presbyterian Church at Beechwood on March 3rd, 1896, at 2 o'clock p.m., and was well attended. Our able and devoted President, Mr. A. J. Ross, occupied the chair. After devotional exercises and the President's opening address, the Treasurer's report was given—the amount of contributions for the year 1895 being $125.73. The decrease this year is owing to some of our liberal contributors having been removed by death, more than lack of interest in the Bible cause, but there is room for improvement. The Rev. Messrs. Coutts and Dewar, of Ailsa Craig, rendered excellent service to the meeting by able and eloquent addresses on the Bible and work of the Bible Society. The reverend speakers were tendered a hearty unanimous vote of thanks ; a vote of thanks was also accorded the lady collectors. The officers were re-elected and collectors re-appointed. The collection taken at meeting amounted to $6.45. Our Vice-President, Rev. Mr. Elliott, we regret to say, was absent on account of illness.

*Kirkton.*—The annual meeting of this Branch Bible Society was held in the Methodist Church ; a good congregation, about 200. The President, Mr. Alex. Kirk, occupied the chair. The following gentlemen addressed the meeting, the Rev. C. Fletcher, B.A., of Farquhar (Presbyterian)—"The Bible in the Light of Recent Discoveries" ; Rev. T. J. Snowdon (Methodist)—"The Divine Preservation of Scriptures" ; Rev. J. C. Nethercut (Methodist)—"The Bible Work in the Present Day." The choir added much to the interest of the meeting. The following resolution was passed unanimously : "*Resolved*, that this meeting most respectfully recommends, that the meeting of local branches of Bible Societies be held as far as possible with the aid of resident ministers as speakers, and without the assistance of an agent, thereby saving to the Society a large amount of money annually." The Rev. T. J. Snowdon closed the meeting with Benediction.

*Wiarton.*—The annual meeting of the Bible Society was held in the Disciple Church, on Monday evening, 11th Nov., 1895. The Society this year did not, as in former years, have the paid agent of the Society to address them, as they believed more interest would be taken in it if the meeting was conducted by the home clergy. The meeting was well attended. The pastor of the Disciple Church, the Rev. Mr. Lake, conducted the devotional services. The Rev. Mr. Walker presided and gave an address on "The Necessity and Importance of the Word of God to the World's Evangelization." The Rev. Mr. McEwan gave an address on "The Power of the Word of God." The Rev. Stuart Acheson followed with an excellent address on "What the Bible Society has Done to Supply the World with the Word of God." The Rev. Mr. Henderson gave an address on "The Recent Efforts to Circulate the Word of God." At the close of the addresses a business meeting was held. The report of the Secretary and Treasurer, Mr. Flett, was read, showing $4,600 received last year. The Rev. Mr. Henderson was elected President. The pastors of the different town churches are Vice-Presidents. Mr. Flett was re-elected Sec. and Treas , and Mr. Clark was also re-elected. A Committee of two from each church were appointed. A hearty vote of thanks was tendered the speakers of the evening.

*Barrie.*—The annual meeting of the Barrie Bible Society was held on the 29th January, 1896, in the Presbyterian Church. The attendance was better than ordinary. The several co-operating churches accepted the Bible meeting instead of their usual week-night services. His Honor Judge Ardagh, President of the Branch, was in the chair. Most of the resident ministers were present The Rev. Dr. Potts, of Toronto, who had kindly responded to our invitation to address the meeting, was at his best, and spoke with rare eloquence and power. His address received marked attention and appreciation. The report of the Secretary-Treasurer, Mr. C. W. Plaxton, showed cheering progress for the year. Financial results are reported elsewhere.

UPPER CANADA BIBLE SOCIETY

# FIFTY-SIXTH ANNIVERSARY MEETING.

The fifty-sixth Anniversary of this Society was held in Cooke's Presbyterian Church, on the evening of Thursday, May 28, 1896.

The President, Hon. G. W. Allan, in the chair.

On and surrounding the platform were the Revs. Dr. Potts, Dr. Gregg, Dr. Sheraton, Wm. Patterson, Dr. Blackstock, Dr. Wardrope, F. H. Du Vernet, Dr. Galbraith, Dr. Sweeney, J. A. Morrison, Dr. Chambers, J. G. Manly, W. G. Wallace, J. McMillan, J. Hunt, Egerton Young, W. D. Ballantyne, with Messrs. J. K. Macdonald, N. W. Hoyles, Dr. W. B. Geikie, Warring Kennedy, David Higgins, John C. Copp, C. R. Cooper, A. T. Crombie, Robert W. Doan, Jas. McNab, W. J. Robertson, James Knowles, P. G. Close, James Alison, John Harvie, Permanent Secretary, etc.

Apologies for absence were received from the Revs. Dr. Parsons, Dr. Welton, J. G. Potter and W. A. J. Martin.

After singing the hymn beginning, "Jesus shall reign where'er the sun," Rev. F. H. Du Vernet read a part of the nineteenth Psalm, and was followed by Rev. Dr. Gregg, who led in prayer.

THE CHAIRMAN said: Christian Friends,—We are met together this evening to hold the fifty-sixth Anniversary of the Upper Canada Bible Society. I am sure that you will forgive me if I express the wish that on such an occasion this church should be more largely filled than it is to-night; still I trust that the words which will be addressed to you by those who have kindly consented to be the speakers of the evening will by God's blessing stir up in all our hearts a greater interest, nay, may I say a greater enthusiasm, in the great work of the Bible Society, the work of sending forth in our own country that blessed book to all who are destitute of it, and aiding, by our contributions to the parent society, in carrying the same precious volume, translated into all languages and tongues, to every quarter of the globe. I sometimes think that many good Christian men and women hardly realize the importance of this work and what it is. I am sure that if they did we should have a much wider and a much heartier support given to the Society than we have now. Just reflect for a moment, my friends, what our Bibles are to us. The very youngest child amongst us in the very first pages of that Holy Book can learn more than all the wisest sages of antiquity ever knew.

They can learn of the glorious work of creation, of the beginning of all that which the Almighty Father pronounced to be very good when "the morning stars sang together and all the sons of God shouted for joy," and they can learn too from that book that great mystery of how all was marred when sin entered into the

world and death came by sin, and can follow on in its pages the dealings of God with mankind, and with His own chosen people to prepare the world for the coming of that great Saviour, that seed of the woman who was to crush the serpent's head and bring life and immortality to all the races of men. I think when we fully realize this, and realize still more that but for the Bible we should know none of these things, and above all that it contains the sole revelation to us of that inestimable gift, the gift of the Lord Jesus, the pardon, peace and salvation through the blood of a crucified Saviour—all this the Bible and the Bible alone reveals to us; and shall we be content with the possession of this book for ourselves—the book which is as a "lamp to our feet and lantern to our path"—and not strive to the utmost to pass on that bright light to those who are still sitting in darkness and the shadow of death? No, my friends, this is the very work in which the Bible Society is engaged, and it is in furtherance of the work that we appeal to all Christian people for their prayers, their sympathy, and their generous support. Let me read to you two or three brief extracts from the report of our own Society, which will convey to you better than any words of mine, what is being done in our home field. The report shows that the work has been very largely extended, not only in Ontario, but more particularly in Manitoba, British Columbia and North-West Territories, where seven new branches and depositories have been established. New branches and depositories have been organized also in various parts of Ontario. The returns show 7,366 Bibles and Testaments sold or given away to those who were destitute of these before. The total issues for the year from the Toronto depository to branches, by colporteurs, sold in the depository itself, and issued gratuitously, is 29,767. Among these I dare say it will surprise some of you to learn that there are no less than 2,752 in various languages to meet the requirements of different nationalities, such as French, German, Italian, Swedish, Norwegian, and in the Indian tongues, both in Cree, Objibway and Mohawk, and some even in Japanese and Arabic. Another feature of interest mentioned in the report, and one that I think is of really very great importance, is the considerable sum which this auxiliary was able to send our friends in Quebec, to aid in what is there the very difficult and in many respects the trying work of Bible reading and Bible circulating in that Province, and which, with the free contributions from our branches and the free grant made by the board, amounted to $2,500. (Hear, hear.) Now to pass from that to another extract which I have made from the report of our great parent society, the British and Foreign Bible Society. (And I may say in this connection, and I rejoice to say it, that we sent this year a total contribution of $6,420 to them for their world-wide work.) It would be impossible for me to give a better summary of this grand work of the parent Society than is contained in the opening sentences of their report: "Words of thanksgiving and praise may well head the story of the Bible Society's ninety-second year. Has not the goodness of the Lord been experienced in needful funds fully provided, in more Scriptures sent forth, in fresh translations begun and revisions advanced, in agents raised up, and in souls led by the Bible to Christ? As we survey the globe, progress manifests itself in various ways. In the vast Russian Empire the circulation of the Holy Book still grows. In Roman fields counter activities have a not unwelcome significance. In Mohammadan

lands an unaccustomed readiness to read the Scriptures is seen. Eastern wars have improved the prospects of Bible diffusion. Eastern martyrdoms have given a sacred impetus to a new translation. Students of the Bible in Uganda increased by thousands. On and on goes the living book. Our labor is not in vain in the Lord. Let us exalt His name together." Let me just give in this connection these significant figures, that the total issues by this Society of Bibles, Testaments and portions of Scripture, amounted during the past year to 3,970,439 copies. I think these extracts prove far better than any words of mine could give you an idea of how the work is being carried on, both in our own country and throughout the world, by the great parent Society.

Now, my friends, if it be the duty and privilege of every Christian man and woman to pray for the coming of Christ's kingdom, surely it is equally incumbent upon us to do all that we can to hasten that glorious time. Here, then, we have this opportunity given to us in the very work of the Bible Society, the carrying of the Gospel of the kingdom in their own language to all the nations of the world and so preparing the way for the coming of the Lord. Let us not then be content with being members of the Society ourselves, but let every one of us do all that we can to persuade our friends and our neighbors, and all upon whom we can bring our influence to bear, to join the Society also, and then we shall see a far wider and more active interest aroused in the Bible cause. I think if we all endeavored, each in our own sphere, to persuade those around us to take this interest in the Society there would be no fear of our having at our annual meeting so small an audience as we have to-night; but I earnestly pray that this spirit may grow and increase among us more and more, and that the Society may be so strengthened, its influence so increased, its work so extended, that we may be able, not long hence, to point with grateful satisfaction to the fact, that outside of our dear mother land there is no country that is doing more for the spread of the Gospel and for the circulation of the Bible, than we are doing through the Upper Canada Bible Society in this Dominion of Canada. (Applause.)

Mr. J. K. Macdonald moved the first resolution as follows:

"That the report as printed and now distributed be adopted, and that the following gentlemen be officers and directors for the ensuing year." (*See list of names, page* iii.)

Mr. Macdonald said: The duty that I have been asked to discharge to-night is a light one. The report is in your hands and is therefore considered as presented. I will not take up time with an address, except by expressing my regret that on the occasion of an annual meeting of the Upper Canada Bible Society, the meeting is not better represented than it is to-night. Surely this one catholic society, in which all Christians are engaged, one on which our Christianity is founded, should call forth an audience that this church would not be sufficient to contain.

Mr. John C. Copp seconded the resolution, which was carried.

The Chairman then said he had much pleasure in calling upon the Rev. Dr. Potts, who is familiar to all and whom all would be glad to hear.

Rev. Dr. Potts said: Mr. President,—I am sure I voice the sentiments of the Board of the Upper Canada Bible Society and of the friends of the Society, when

I say that we are heartily glad to see you able to be with us to-night, and to preside on this occasion. (Applause.) We felt profound sympathy in the meetings of the Board when we learned that you were unwell, and earnest prayer was offered to God that your precious life might be spared to your family, to the Church of Christ and to the Bible Society. I am glad to be here to-night as a friend and an advocate of the British and Foreign Bible Society. It is easily the queen of all the Societies. Other organizations in connection with our various sections of the Christian Church have their places, and they are important, but the foremost place must certainly be given to the British and Foreign Bible Society. I have been thinking in connection with this meeting that as we look at the Society in its majestic strength, in its world-wide importance, and in the fulfilment of its world-wide mission, it is an interesting thing for us to retrace our steps to a time within the present century when there was no Bible Society, when there was no such organization as the Upper Canada Bible Society. It was, as you know, in the year 1802, that a meeting was held in London when a project of this kind was proposed by Mr. Charles, a minister in Wales, and one who was led to take an interest in Bible circulation through the destitution that was felt in Wales itself. Now, there is a very touching and pathetic story told of twelve Welsh peasants contributing for the purchase of a Bible. Each was to have the use of this Bible for a month during the year, and the one whose lot fell to have it the twelfth month said with pathos: "Oh! I may not be alive when the time shall come for me to have an opportunity of reading and studying the word of God." When I think of the origin of this Society I think of a little group consisting of three—Mary Jones, a little Welsh maiden; Thomas Charles, to whom I have already alluded; and Joseph Hughes, the Secretary of the Tract Society—and in that meeting of 1802, when Mr. Charles presented the destitution of Wales, Mr. Hughes uttered these memorable words: "And if for Wales, why not for the Empire and the world?" And on the 7th March, 1804, the British and Foreign Bible Society was organized and launched on its marvellous and world-wide mission. Surely those who had to do with the organization of the Society little thought of what their work would grow into, as we think of those extracts which you have read from the report of the British and Foreign Bible Society. But I am interested in this Society, not only because of its Providential origin, but also because of its broadening and enlarging Christian sympathy among the Christian denominations. I am a believer in denominations, a strong believer, and in my intercourse with men I find that men who have no denominational convictions or attachments—goody-goody men—do not amount to much in the cause of God. I find that those who have the strongest attachment to their own Church can afford to stand identified with a great movement like the British and Foreign Bible Society. (Hear, hear.) I know this, too, that those who are connected with this Society can stand upon its platform and advocate its principles and feel attached to it in all its movements, and yet not have their denominational attachments impaired in the least. The Churchman is no less a true member of the Church of England because he identifies himself with the British and Foreign Bible Society; and so with the Presbyterian and the Methodist, and the Congregationalist and the Baptist, and yet I do know that denominationalism tends sometimes to

contraction rather than expansion; and so while we have denominational convictions and prejudices and loves, it is a good thing for us to come out from these denominational peculiarities for a little while and stand upon a platform such as the British and Foreign Bible Society. I am greatly interested in the work of this Society because of its vital relation to the missionary work of all Churches. Now, it is manifestly the mission of the Church to evangelize the world, and in order to do this we must have missionaries; and we must have ministers; but we may have men of Pauline consecration and men of Pauline culture, but we must have the Word of the Lord in the languages of the nations to which we send our ministers and our missionaries, and therefore it comes to pass that at this very vital point the British and Foreign Bible Society steps in and is the helper of all the Churches from the highest to the lowest. And while we admit to-night our indebtedness to the British and Foreign Bible Society for the facilities that are afforded in order to supply the Word of God, it is well for the Bible Society to remember that it is dependent upon the learned translations of the missionaries of the various Churches who supply these translations. Now, in the work of the Church the pulpit is the mightest agency in the world's evangelization. No other form of agency can take the place of the living voice, of the living men who have heard the Master's "Go ye therefore," and who follow the thrill of the Master's promise "Lo, I am with you alway, even unto the end of the world." And then, sir, I take an interest, as you do, in the British and Foreign Bible Society because simply of the sublime design. It is the design of Churches to build up their denominations and to win souls for Christ. It is the design of the Bible Society to place the Word of God, without note or comment, into the hand of every nation and country and people and tongue; and so the mission of the Bible Society is akin to the mission of the Christian Church as it listens to the words of its Master, "Go ye therefore into all the world, and preach the Gospel to every creature." And then, when I think of the success that has attended the Society from the time of its origin in 1804 down to 1896, when I recall the fact that this Society is spreading the Word of God in over three hundred languages and dialects, and our own Bible Society circulating the Word of God in almost thirty languages and dialects, it seems to me that we have reason to feel that marvellous success has attended the work of this Society. Now, sometimes we are inclined to live in the low ground. I know that valleys are good for fruitfulness, but the mountain tops are grand for vision; and it is a fine thing to climb those Alpine heights of Hebrew prophecy, and take a survey of the glorious future that lies before the Bible, and therefore before the Christian. Now, we live too much in a mixed state of light and darkness, pleasure and pain, prosperity and adversity, and it is a moral bracing to our souls to climb those mounts of prophecy and look out and listen to the language of the 72nd Psalm, or the language of the 2nd of Isaiah, "It shall come to pass in the last days that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills, and all nations shall flow unto it." You and I could not understand that prophecy but for the prophetic word of Christ when the shadow of the cross fell upon Him, and He said, "And I, if I be lifted up from the earth, will draw—(will attract, will magnetize)—will draw all men unto me."

And when we allow our eye to run along that wonderfully Messianic psalm, the 72nd Psalm, we do not wonder that James Montgomery, the Moravian poet, caught the inspiration of the Psalm, and sang so sweetly :—

"Arab'a's desert ranger
  To Him shall bow the knee ;
The Ethiopian stranger
  His glory come to see.

With blessings of devotion,
  Ships from the isles shall meet,
To pour the wealth of ocean
  In tribute at His feet.

Kings shall fall down before Him,
  And gold and incense bring ;
All nations shall adore Him,
  His praise all people sing.

For He shall have dominion
  O'er river, sea and shore,
Far as the eagle's pinion
  And dove's light wing can soar.

O'er every land victorious,
  He on His throne shall rest
From age to age more glorious,
  All blessing and blest.

The tide of time shall never
  His covenant remove,
His name shall stand forever,
  That name to us is Love."

And that description of the Messianic kingdom and Messianic glory is the description of Hebrew prophecy and of the covenant promises of the Word of God. But while we are interested in the Bible Society because of its origin, and because of its widening spiritual influence, and because of its vital relationship to the missionary operations of the Church, and because there is absolute certainty of its ultimate and universal and glorious success, for the mouth of God has spoken it, we are peculiarly interested in the Bible Society because of the Bible itself. The Bible is the best argument for the Bible Society, and there are very few that will take much interest in the operations of the Bible Society and kindred institutions unless they are profoundly interested in the Bible as the revealed Word of God. Now, sir, when we think of the Bible and its wonderful claims, it is like and it is unlike many other books. I find, when I look at it, that it is printed on paper, that it is printed with printer's ink, and that it is bound like any other book, and therefore along that line it is like books of other kinds that we may call scientific and philosophical and historical ; but then it is unlike all other books—it claims authorship in God. It comes to us laden with tidings that cannot reach the children of men in any other way ; it comes to us with benedictions of good. This book is God's revelation of His heart and mind to the Church of God and to the children of men, and we must hold to the inspiration of this book from its Genesis to its Revelation. (Hear, hear.) And, then, Mr. Chairman, when I remember that there never was a day in the history of the world when this Bible had as many students, as many readers, as many expounders, as many defenders as it has to-day (Hear, hear) ; infidels may attack it, rationalists within the Church of Christ itself may explain away the Old

Testament, so that instead of being a garden of the Lord that leads us forward to the study of the New Testament, it is a vast howling wilderness by reason of higher criticism and other things that I might refer to to-night—although that is the case, the Bible never had as many friends and lovers and students as it has this year of Grace 1896. Now, why do we circulate this Word of God through the instrumentality of the Bible Society? Why? Because it reveals Christ. I find Christ in its Genesis and in its Revelations; I find Christ in its types and in its prophecies; I find Christ in its gospel narrative and in its apocalyptic vision. It was our own William Morley Punshon, who resided in this city, and who seemed to be the heritage of all the Churches, who uttered this sentiment concerning the revelation of Christ in the Bible: "Were there rites and ceremonies in the grand Levitical economy, they all foreshadowed Christ. He was the Shiloh that blessed the expiring Jacob; He was the burden of the songs of the royal bard of Israel; He was the Wonderful, the Counsellor, of whom Isaiah speaks; He was the Lord our Righteousness spoken of by the plaintive Jeremiah; He was the Ancient of Days described by Daniel; He was the Desire of all Nations, whom Haggai said should come; He was the Branch out of the stem of Jesse, of which Zachariah uttered the prophecy; and He was the Sun of Righteousness whom Malachi, the last of the bright-robed and radiant throng, saw arise on the earth with healing in His wings." (Hear, hear). Now, if you come to study Jesus Christ in the light of the Word, you will find that all nature has been ransacked to show the pre-eminence of Jesus in the Scriptures. Come with me to-night away down in the mineral kingdom, and we shall find that Christ is the Stone, the chief Corner-Stone, elect and precious; come with me to-night into the vegetable kingdom, and you will find that Jesus Christ is the Rose of Sharon and the Lily of the Valley; come with me to-night into the animal kingdom, and on one hand, in token of His kingliness, He is the Lion of the Tribe of Judah, while on the other hand, in token of His sacrificial character, He is the Lamb—the Lamb of God that beareth away the sins of the world. But, Mr. President, this Bible, it seems to me, can never have greater enemies to encounter than it has encountered in the past. The tallest of the Goliaths of scepticism and infidelity and atheism have confronted the meek but heroic David of the living Word of God, and they have fallen in many a conflict; and to-day the Bible is more triumphant in the intellect and in the heart and in the conscience of the Church and of the world than it ever was before. When I think of this Word of God, I don't think of it as a text-book on science. If I want to study astronomy I do not go to this book; if I want to study geology I do not go to this book; but if I want to hear a voice speaking with absolute authority, "This is the way, walk ye in it; this is the way to God; this is the way to God's Fatherhood; this is the way to God through the mediation of Jesus Christ; this is the way to God under the guidance of the Holy Ghost; this is the way from sin unto salvation; this is the way of an abundant entrance into the everlasting kingdom of our Lord and Saviour Jesus Christ," I go to this Book. Oh, Book of God; Oh, testimony of Jesus Christ, thou art more precious than rubies; thou comest to us laden with the benedictions of Heaven; thou comest to us with fact and doctrine and precept and promise; thou comest to us with the good tidings that relate to the coming of the Saviour, and therefore

the coming of salvation. Our fathers were screened from the heat of the day under thy shadow, and at thy fountain they drank of the water of the River of Life, and had their spiritual thirst satisfied, and our forefathers leaned upon thee, and in life's last hour glided peacefully and safely through the valley of the shadow of death.

"This Book unfolds Jehovah's mind,
This voice salutes in accents kind;
This friend will all our needs supply,
This fountain sends forth streams of joy.

This mine affords us boundless wealth;
This good physician gives us health;
This sun renews and warms the soul;
This sword both wounds and makes us whole.

This letter shows our sins forgiven;
This guide conducts us safe to Heaven;
This charter has been sealed with blood;
This volume is the Word of God."

After singing the hymn beginning "How precious is the Book Divine,"

Rev. William Patterson, Pastor of Cooke's Church, said: Mr. Chairman, Christian friends,—You have listened to the admirable address of Dr. Potts on the Society, and what it has done, and what it is doing; and I think there is nothing we require in this age more than to get greater confidence in the Word of God. I believe that there is nothing that the devil so desires as to shake men's confidence in the Word of God. It was the first temptation, "Yea, hath God said?"—and it is the same old temptation moving down through the ages. Now, there is one thing we are sure of, the Word of God has come to us in a very strange way, written by men who have lived in many different ages, different countries, men different in every sense of the word, and yet one grand principle underlying the whole Book from Genesis to Revelation; and as you have heard to-night from Dr. Potts, and as you see from the reading, everything that could be done has been done to destroy that Word of God. Since the day that Jehoiachim took his penknife and cut the leaves of the prophecy and threw them into the fire in the winter palace, from that day until this, every conceivable thing has been done by men and nations to get rid of the Word of God. They have burned it, they have denounced it, they have passed laws against it, and, as you have heard to-night, it never was so much alive as it is now; not only so, but I find that every new discovery is only going to prove the truthfulness of the history of this Word of God. Our Lord, you remember, once said that if the children would keep quiet the stones would cry out. These stones are literally doing that in the ruins of the old cities, the monuments of the old kingdoms that have passed away, these stones are now coming up and bearing testimony to the truth of this Word of God. And then, the discoveries in the heavens, the discoveries in astronomy, are showing to us now the wonderful significance of some of the passages in the Word of God that were mysteries heretofore. One of these great astromoners has said, "You might just as well try to quench the sun in the heavens as try to change a single date of the great dates of this Word of God." Not only so, but we have the greatest men of all ages and of all countries believing in this Word of God. Supposing that any of us here are in business, and a man should come to us recommended by the very

best citizens, say in Toronto, and by the people who knew him best in Canada, and then a few people who knew nothing about him should send in a paper, saying, "Oh, don't trust that man, you had better look out for him." Well, if we were business men, what would we do? Would we say, "Here comes a man with the testimony of the best men in Canada, but men who do not know him are against him; we must look upon him as a rogue?" Not at all, you would say; we must look upon him as genuine until he is proved a rogue. Now, the Word of God comes with the testimony of the grandest men of all ages; but some men question the work, and people say in this age we ought to find out if the Word of God is true or not. Instead of asking, we must take it as true until we find out it is not what it claims to be, and what these men testify that it is. Some men say, 'Oh, isn't that man a great authority that speaks against the Word of God?" Well, what is he an authority on? A man is an authority on something that he knows something about. A shoemaker might be very little use in a millinery shop, although he might know about making shoes. A scientist may be very good as a scientist, but have very little knowledge of the Word of God. A lawyer might be very useful in a law-suit, but he would be very little use if you had pneumonia or some other severe illness. Many of these men are experts in science and astronomy and know nothing of the Word of God. Therefore a theologian who knows the Word of God, if he came to dictate to these scientific men, do you think he would overturn their theories? They would laugh at the theologian; and I hope the day will come when this theologian will laugh at men who know science but know nothing of the Bible, and then want people to change the Bible because it does not agree with their theory, something that they perhaps know nothing about. Sometimes, though, you get a man that knows both law and medicine, and he will be all right in a law court, or all right at a sick bed; sometimes you get a man that knows both science and theology, then he has not that difficulty. We have at least one man in Canada that all Canada should be proud of, one who stands in the forefront of the great scientific men of this Nineteenth Century, and whose name is a household word in scientific circles, who also knows theology and knows the Word of God, and the two revelations—the revelation of nature, and the revelation of God as made in His Word. He gets these just locked together, and he sees perfect harmony in them. I refer to Sir William Dawson (applause); and that man is an authority in science, and also an authority in the Word of God. And, so, when you get a man who knows the two, you get a man who sees beautiful harmony in these two; and that is something that some of our young people ought to know in this age, because they think of some men that talk against the Bible, for they do not know that some of the men who talk against the Bible never read it. One fellow was talking against the Bible to me, and I asked him if he ever read it, and he said, "No, but somebody told me something that was in it." (Laughter.) Not only this, but we see that our Lord told us that a tree must be known by its fruit. We judge books by their effect. Take the Word of God and see its influence. Take old Israel; take that Old Testament, that is the mill-stone dragging down the Christian, and that Old Testament was something upon which a nation at one time stood, and it exalted and lifted that nation that she became a peculiar nation, one

of the grandest in the world. The Lord told Joshua that all his success depended on his adherence to that Word of God; and you will find that that nation, the people of Israel, rose above all the surrounding nations, just in proportion as she kept in touch with the Old Testament. To that same extent she stood, and could bid defiance to all the surrounding nations; and just as she got away from the Word of God everything began to go wrong with her. Come down to the time of our Lord. The disciples went out with the Old Testament, that is all they had; their teachings and writings compose the New Testament. These men went out without any great social or political influence; they went out against the prejudices of the Jews, against all the power of persecuting Rome, against all the culture of the Greeks, to whom the Gospel was foolishness, and the idolatry of the nations that were sunk as far as they could get in corruption, as you will see in the first chapter of Romans; and yet, with that living Word of God, we find that it penetrated the nations until in less than three centuries the whole world lay at the foot of the cross. Then you have read how the Dark Ages came in; and then after that you remember that a man named Wycliffe got hold of the Word of God, and he translated it; and Luther got hold of the Word of God, and you remember it was one of the verses from the Old Testament that brought light into the soul of Luther—"The just shall live by his faith"—like a ray of light piercing his soul, and from that day Luther was a free man. All the darkness of the Middle Ages was dispelled through the light that went from this Word of God, from the Old and from the New Testament. Then you come on down in history, and you find that men began to neglect the Word of God. We find at the origin of this Society that it was put aside, and then unbelief and darkness and sin prevailed. And the great revivals that came, how did they come? Just like the revivals in Israel, by the reading and study of the Word of God, and the revivals under the Wesleys and Whitfields, and the revivals of the present century, in 1859, those grand revivals were all through the study and the preaching of the Word of God. And take all the great awakenings under Mr. Moody and his associates, and all that we find has come from the Word of God. So, if you come down through the ages, you will find that just in proportion as the Word of God is made known, to that extent there was light and there was liberty; and so we might go on with regard to prosperity and with regard to growth in knowledge and everything of that nature. Then you take the nations that have this Word of God and the nations that have it not. Spain at the dawn of the Reformation was a glorious kingdom—you remember how she stood out in the forefront of the nations—but she rejected the Bible, and she rejected the Reformation. The Anglo-Saxons accepted that Reformation and that Bible, and look at the difference. You have read how in one of the cities in Spain the other day thousands of priests and thousands of the great men of that country took the remains of an old saint, the bones of an old saint, or an old sinner, that died a great many centuries ago, and carried it through the streets, praying that the rain might come and that the rebellion might go. You cannot find a darker picture of heathenism to-day than you find in Spain. Before the Reformation Spain stood in the forefront of the nations. We hear a great deal about comparative religion in this day, and the good that there is in the religion of other lands.

Well, of course, there is good. Why, the devil has a great many excellent qualities; he is energetic, persevering, and attends to his own business; and all these things are commendable (applause and laughter), but still he is the devil; and so these other religions have things that are good and commendable in them. But after all, what have these things done for the countries? That is what we want to get at. The Lord gave the world 4,000 years to show that their wisdom was only foolishness, and then He sent the Christ. When our fathers were only painted savages, China was a glorious kingdom, but where is China to-day? Look at all those nations, and God has given them thousands of years that their religion should work out their salvation, and what have they done? Go into these places, and you will find that the 1st chapter of Romans is still a picture of the heathen world to-day, notwithstanding all the religion that they have that was so extolled at the religious menagerie that was held at Chicago some years ago. (Laughter.) Now, take the Islands of the Sea, those Cannibal Islands, and take all those countries as they are to-day. We are told that they are so humane that they have asylums for the old cows and animals and so on; at the same time the brothers and sisters that have become lepers are cast outside the city and outside society, and they are left to die in the street while they are caring for the animals. And it is only Christians in England that have erected hospitals for the lepers, for there was not a single hospital until the Christian nations went in and built them. There is not an hospital in one of those heathen lands to care for suffering humanity unless that hospital is through the Word of God, and not through a religion that is so extolled by those countries. Now, the Lord has given those religions chances. Then you come into these countries, and what have you? Why, wherever the Word of God has gone it is just like an oasis in the desert. Away out in those deserts where the sun is pouring down its rays, sometimes you will run across one of these oases, palm trees, and everything is glorious; and so it is in the heathen lands, you will sometimes run across those oases; and why is it? Because the missionaries have got there. I remember listening to the Rev. Dr. Paton, and he spoke about his work in the New Hebrides. When he landed there the natives said he was too thin, and they were just going to wait until he got fat enough to eat him, but he began teaching them the Word of God, and the Word of God got in their hearts, and when the people that were waiting to feast upon him as cannibals all sat down at the Lord's Table and took in their hands the emblems of His broken body and His shed blood, and raised songs of thanksgiving to God, and denied themselves that the same blessings might be sent to others, he then saw the power of the Gospel of Jesus Christ. Read the life of Paton in the Islands of the Sea; read the history of McKay of Formosa, and when you read the history of these men you will find the history of the Gospels rewritten. You have this, practically turning the world upside down as it did in the days of the Apostles. And then there is a little country that some of you have heard of called Ireland. (Laughter.) Well, if you want to know what the power of the truth is, you have only to go there to see if the Bible is a living power or not. If you go into that country, and go to the South and West, you have a better climate than you have in the North, you have better soil than you have in the North, you can tell that from the bushes and from the things that you see growing. Then you go to the North and

find prosperity there that you cannot find in the South and West, and you are in a different country altogether. But some say, they are Anglo-Saxon in the North, and they are Celts in the South and West. Are they? Well, if they are, they are the same race as the men in Wales, as the men in the Highlands of Scotland; and, I say, a man cannot go through Ireland without coming to the conclusion that the great difference between the North and South and West in that country, is because the people in the North have the Word of God and act upon its principles, and the people of the South and West have not the Word of God. As a man thinketh in his heart, so is he, and so is his farm; and so to-day it does not matter, wherever we go and wherever the Word of God has gone, we find it has changed the country and has changed the individuals. Now, what we want as Christians to realise is, that it is still the power of God to salvation unto every one that believes, and to know that those nations cannot live without the Word of God; and when we come to know that we will take far more interest in spreading it. Some people say, are the heathen going to be saved or going to be lost? The heathen are lost at the present time, as far down as they can go in degradation and sin and shame, and yet there never was a tribe into which the Word of God went, but that Word of God was able to lift them out of the deepest mire and out of the vilest sin and make them alive unto holiness, and alive unto God. We are to understand that this Word of God has the same saving power, and then when we come to realize that, surely we will be more anxious to send that Word of God among the nations of the earth. There is no other way of redeeming men, there is no other way of lifting them, save by this truth of God. And so we, in our pulpits and in our Sabbath schools, want to have a little less talk perhaps about the Word of God, and a little more teaching of the Word of God. If men want to get a Sabbath school class or a congregation interested, I think the best thing they can do is to take the Book that is the oldest, and at the same time the newest, and to give them that; because if you are going to interest people, it is not by those questions as to whom people should marry, and if marriage is a failure, and all these abominable things—of course, they are all right in their place—that we hear from the pulpit. I tell you what we do want, Christian friends, is to realize that this is the Word of God, and it has proved itself to be the Word of God, and that the men who have tried in the past to destroy it have failed, and to know that men in the future will try to destroy it and will also fail. The Ark of God was going at one time, and it was trembling on the cart that was carrying it; a man thought it was going to fall, and he put forth his hand to save the Ark. You remember what happened to him. I tell you it is just as impossible for anything to happen this Word of God as it was for that Ark to tumble over, and just as impossible as it was for that little vessel in which Christ was to sink. The disciples thought they were going to perish, but so long as Christ was there the little vessel could not go under the waves; and so long as Christ and the Spirit of the Living God is in this Book, this Book is going to keep afloat, until no man shall need to say to his neighbor, "Know the Lord," because all men shall know Him from the least unto the greatest. So what we want is to scatter it. Spurgeon once spoke about a lion in a cage, and there were a lot of boys annoying the lion, and a number of men were trying to keep the boys away from the lion, and

Spurgeon said, "Open the door and let the lion out, and he will defend himself." Sometimes we are defending the Word of God from the boys, and the best thing is to let the lion out, and this lion of the Tribe of Judah when once out will assert His right, and the Word of God will prove itself, as in the past, the power of God unto salvation. (Applause.)

Dr. W. B. Geikie moved that the hearty thanks of this meeting be presented to the Rev. Mr. Patterson and the Trustees of Cooke's Church for the use of the building on the present occasion; also to the Organist for his valuable services. He said: I have great pleasure in moving this resolution, although my own opinion is that those who have control of a church should be very thankful for a meeting like this. I do not think any House of God can have a greater honor put upon it than to have the annual meeting of the Bible Society held in it, and we have had such a delightful meeting to-night, such thrilling addresses, that I hope he lion of the tribe of Judah, of whom we have been hearing, will take hold of everybody here, so that when we come to the next anniversary, you will come with increasing interest, and our great Society will go on prospering and to prosperity.

The resolution was seconded by Warring Kennedy Esq., and the meeting closed with the doxology, the benediction being pronounced by the Rev. Dr. Sheraton.
